A Manual of Signals: For the Use of Signal Officers in the Field, and for Military and Naval Students, Military Schools, Etc Albert James Myer, 2018-11-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

MANUAL OF SIGNALS ALBERT J. MYER, 2018

A Manual of Signals for the Use of Signal Officers in the Field Albert James Myer, United States. Army. Signal Corps, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification

A Manual Of Signals For The Use Of Signal Officers In The Field And For Military And Naval Students Military Schools Etc Albert James Myer United States Army Signal Corps Gov t print off 1879 History Military United States Biography History Military United States

[A Manual of Signals](#) Albert J. Myer, 2015-06-02 Excerpt from A Manual of Signals For the Use of Signal Officers in the Field and for Military and Naval Students Military Schools Etc This work was for its first edition in great part hastily prepared printed upon an office press and issued to the officers of the Signal Corps of the Army then serving constantly in the field in the midst of the war of the Rebellion It was intended at the time for their instruction only and was rendered incomplete by official embarrassments and the pressure of other duties The author is induced to its enlargement and republication now by varied reasons The actions of the late war in which victory or defeat has sometimes hung upon the transmission of a signalled message have rendered it certain that military signals will be used in the future military and naval operations of our arms They will be employed in the continued Indian warfares in the Interior and it is probable some knowledge of telegraphic duty will be required of the officers of both the land and naval services The perfection to which these duties can be brought by careful study experiment and practice can be contemplated yet in imagination only About the Publisher Forgotten Books publishes hundreds of

thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Manual of Signals Albert James Myer, 2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

A Manual of Signals Albert J. Myer, 2017-11-20 Excerpt from A Manual of Signals For the Use of Signal Officers in the Field and for Military and Naval Students Military Schools Etc Of the great good results to be hoped from a popular and thorough knowledge of the subjects of the book subjects hitherto so little treated that the Author knows of no extended work relating to them he can here make Mention only The character of the possible advantages must be judged after some perusal of the volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
