Re-Authoring Life Narratives After Trauma: A Holistic Narrative Model of Care Charles B. Manda,2019-12-12 Re authoring Life Narratives after Trauma is an interdisciplinary specialist resource for traumatic stress researchers practitioners and frontline workers who focus their research and work on communities from diverse religious backgrounds that are confronted with trauma death illness and other existential crises This book aims to argue that the biopsychosocial approach is limited in scope when it comes to reaching a holistic model of assessing and treating individuals and communities that are exposed to trauma The holistic model must integrate an understanding of and respect for the many forms of religion and spirituality that clients might have Pargament 2011 It will not only bring a spiritual perspective into the psychotherapeutic dialogue but it will also assist in dealing with the different demands in pastoral ministry as related to clinical and post traumatic settings The book makes several contributions to scholarship in the disciplines of although not limited to traumatic stress studies pastoral care and counselling psychology and psychiatry Firstly the book brings spirituality into the psychotherapeutic dialogue traditionally religious and spiritual topics have not been a welcome part of the psychotherapeutic dialogue Secondly it underscores the significance of documenting literary narratives as a means of healing trauma writing about our traumas enables us to express things that cannot be conveyed in words and to bring to light what has been suppressed and imagine new possibilities of living meaningfully in a changed world Thirdly it proposes an extension to the five stage model of trauma and recovery coined by Judith Herman

IAEG/AEG Annual Meeting Proceedings, San Francisco, California, 2018 - Volume 5 Abdul Shakoor,Kerry Cato,2018-08-30 This book is one out of six IAEG XIII Congress and AEG 61st Annual Meeting proceeding volumes and deals with topics related to

Boko Haram's Terrorism and the Nigerian State Olumuyiwa Temitope Faluyi, Sultan Khan, Adeoye O. Akinola, 2019-03-08 This book assesses the effectiveness of Nigeria's counterterrorist policies against Boko Haram It takes a critical review of the interventionist strategies adopted by the Nigerian government highlights the motivations behind the choice of strategies and proffers a deeper understanding of the factors responsible for the state's inability thus far to rid the country of terrorism Specifically it evaluates the NACTEST policy framework that guides the Nigerian state's counterterrorist strategies which contains both hard and soft power approaches Adopting historical and case study approaches which put the Nigerian state and occurrences of violent conflict in context it takes cognizance of the politics of ethno-religious diversity which reinforce violent conflicts among groups and against the state and reviews the socio-economic and political realities that led to the emergence and sustenance of Boko Haram The volume concludes by suggesting practical policy options for combating Boko Haram and other similar armed insurrection This book is appropriate for researchers and students interested in African politics conflict security peace studies terrorism and counterterrorism as well as policy makers and government departments dealing with terrorism and counterterrorism

Making Public in a Privatized World David A. McDonald, 2016-02-15 How do we provide effective public services in a deeply neoliberal world In the wake of the widespread failure of privatisation efforts societies in the global south are increasingly seeking progressive ways of recreating the public sector With contributors ranging from cutting edge scholars to activists working in health water and energy provision and with case studies covering a broad spectrum of localities and actors Making Public in a Privatized World uncovers the radically different ways in which public services are being reshaped from the grassroots up From communities holding the state accountable for public health in rural Guatemala to waste pickers in India and decentralized solar electricity initiatives in Africa the essays in this collection offer probing insights into the complex ways in which people are building genuine alternatives to privatization while also illustrating the challenges which communities face in creating public services which are not subordinated to the logic of the market or to the monolithic state entities of the past

Global Masculinities Mangesh Kulkarni, Rimjhim Jain (Associate Editor), 2018-11-20 What does it mean to be male in today's world This volume interrogates the myriad practices and myth-making that underlie dominant and subordinate constructions of masculinities around the world Challenging the patriarchal bias that restricts alternative

understanding of masculinities this volume documents and shares evidence insights and direction on how men and boys can creatively contribute to gender equality in the twenty first century The book highlights the many lives of men and their interactions with socioeconomic and political processes including the family fatherhood migration development and violence critiques hegemonic masculinities and grapples with effective practices that engage men in the empowerment of women explores how cultures of masculinity can be transformed to promote social justice conflict resolution and peace building within and across nations The book will be indispensable to researchers interested in critical masculinity studies women s studies sociology social anthropology law public policy political science and international relations It will also be of great relevance to government officials NGO activists and other practitioners concerned with gender health and development issues

Understanding Inequality: Social Costs and Benefits Amanda Machin, Nico Stehr, 2016-04-14 The contributions in this book highlight contextualize and analyze different aspects of social inequality What are the various cause and effects of inequality How have these changed over recent decades Which social policies might be best able to intervene Written by authors from a variety of disciplines and geographical regions these contributions provide a rich account of inequality within contemporary society The role of the state the media and the market in exacerbating and alleviating patterns of equality are all accessed alongside analysis of changing patterns of exclusion and hierarchy

Southern California Coastal Water Research Project Annual Report Southern California Coastal Water Research Project, 2014

Tribing and Untribing the Archive Carolyn Hamilton, Nessa Leibhammer, 2016 These volumes track how the domain of the tribal and traditional was marked out and came to be sharply distinguished from modernity how it was denied a changing history and an archive and was endowed instead with a timeless culture These volumes also offer strategies for engaging with the materials differently from the interventions effected in contemporary artworks to the inserting of nameless timeless objects of material culture into histories of individualized and politicized experience Publisher s description
