Martin Murray

Kzn Business Studies Preparatory Exam 2014:

The Infrastructures of Security Martin Murray, 2022-08-15 Much of the South African government's response to crime especially in Johannesburg has been to rely increasingly on technology. This includes the widespread use of video cameras, Artificial Intelligence, machine learning, and automated systems effectively replacing human watchers with machine watchers. The aggregate effect of such steps is to determine who is and isn't allowed to be in public spaces, essentially another way to continue segregation. In *The Infrastructures of Security*, author Martin J. Murray concentrates on not only the turn toward technological solutions to managing the risk of crime through digital and software-based surveillance and automated information systems but also the introduction of somewhat bizarre and fly-by-night experimental answers to perceived risk and danger. Digitalized surveillance is significant for two reasons: first, it enables monitoring to take place across wide geographical distances with little time delay, and second, it allows for the active sorting, identification, and tracking of bodies, behaviors, and characteristics of subject populations on a continuous real-time basis. These new software-based surveillance technologies represent monitoring, tracking, and information gathering without walls, towers, or guards. *Southern Resistance in Critical Perspective* Marcel Paret, Carin Runciman, Luke Sinwell, 2017-03-27 From the Arab Uprising to anti-austerity protests in Europe and the US Occupy Movement to uprisings in Brazil and Turkey, resistance from below is flourishing. Whereas analysts have tended to look North in their analysis of the recent global protest wave, this volume develops a Southern perspective through a deep engagement with the case of South Africa, which has experienced widespread popular resistance for more than a decade. Combining critical theoretical perspectives with extensive qualitative fieldwork and rich case studies, *Southern Resistance in Critical Perspective* situates South Africa's contentious democracy in relation to both the economic insecurity of contemporary global capitalism and the constantly shifting political terrain of post-apartheid nationalism. The analysis integrates worker, community, and political party organizing into a broader narrative of resistance, bridging historical divisions between social movement studies, labor studies, and political sociology. *Psychology, Technological Innovation, and Entrepreneurship* Jesus de la Fuente, Douglas F. Kauffman, Unai Diaz-Orueta, 2019-12-17

Dot Point Business Studies Prelim Revised Mohan Dhall, Science Press, 2013 In this book, you will find typical examination questions and answers for each dot point in the Board of Studies syllabus for the following topics in the Year 12 Business Studies course: Operations, Marketing, Finance, and Human Resources. *Strategic Business Studies | Preliminary* Matthew Parsons, 2021-01-22 Textbook for the preliminary course of study of Business Studies from NESA in NSW. **Business Studies**, 2002
