Lines Will You Make Lines With Me:

Blurring the Lines Kirsty Moseley, 2017-09-06 *Blurring the Lines* is a direct continuation of *Guarding the Broken*. To enjoy this novel you need to have read the *FREE* Part 1. With Ashton at her side, Anna begins to feel more like her old self again. Together they're rebuilding her life and attempting to heal old wounds. The more time they spend together, the closer they become, but unfortunately this only serves to complicate matters further. The undercover pretence of being boyfriend and girlfriend slowly ceases to be a game as both find themselves increasingly blurring the lines between the act and the reality. With her father now President Elect, Anna and Ashton are finding it increasingly difficult to maintain some semblance of privacy. With the world's press obsessing over the future First Daughter, Ashton's job of protecting her has just become a whole lot harder. All the while, the trial grows ever closer, looming over them both, taunting them, reminding them that it isn't over yet. After all, Carter Thomas will stop at nothing to be reunited with his Princess. Author's note: Part 1 *Guarding the Broken* and part 2 *Blurring the Lines* were previously published in 2013 as one novel of epic proportion. *Nothing Left to Lose* was a runaway bestseller that has people all over the world falling in love with Agent Ashton Taylor. *Blurred Lines* Erin McCarthy, 2016-07

Within These Lines Stephanie Morrill, 2019-03-05 *Within These Lines* is a moving story of love, hope, and family set against the dark history of Japanese internment in America. This book had me captivated. Maureen McQuerry, YALSA award-winning author of *The Peculiars*. Evalina Cassano's life in an Italian American family in 1941 is quiet and ordinary until she falls in love with Taichi Hamasaki, the son of Japanese immigrants. Despite the scandal it would cause and the fact that interracial marriage is illegal in California, Evalina and Taichi vow they will find a way to be together. But anti-Japanese feelings erupt across the country after the attack on Pearl Harbor, and Taichi and his family are forced to give up their farm and are incarcerated in a Japanese internment camp. Degrading treatment at Manzanar Relocation Center is so difficult. Taichi doubts he will ever leave the camp alive. Treasured letters from Evalina are his sole connection to the outside world. Embracing the boldest action she can to help Taichi, Evalina begins to radically speak out at school and at home, shining a light on this dark and shameful racial injustice. With their future together on the line, Evalina and Taichi can only hold true to their values and believe in their love against all odds to have any hope of making it back to one another. *Within These Lines* is a historical YA novel set against the backdrop of WWII and the shameful era of American injustice surrounding Japanese internment camps. Told from the dual points of view of an Italian American woman and Japanese American man brought together by love, then separated by war, injustice, and hatred. As haunting and unflinching as it is hope-filled and love-driven. Perfect for fans of Monica Hesse, Ruta Sepetys, and Elizabeth Wein. **The Missouri Pacific System Lines Magazine**, 1925
