

Mechanical Aptitude Test

The word mechanical means "pertaining to machine or mechanics: constructed according to the laws of mechanics: possessing mechanical talent: done by a machine."

In Mechanical Aptitude Test, a candidate has to display his mechanical worth. The candidate is given a booklet, which has got many different exercises. Usually, the candidate is asked either to write its answer or cross it in answer. Most of the questions of this test are very common which do not require any special mechanical aptitude of the candidate.

In this test, also, there is a large number of questions which are to be attempted in a limited fixed time. He must, therefore, be sharp enough to finish the work in time.
