## **Middle School Narrative Writing Unit:**

**Narrative Writing Unit (Grades 6-9)** Rumi Michael Leigh, 2025-10-14 Narrative Writing Unit Grades 6-9 teaches middle school students how to write stories with creativity and organization. Each worksheet guides learners through parts of storytelling including character creation, setting description, plot development, conflict, and resolution. Students practice writing dialogue, sequencing events, and planning stories that hold interest from beginning to end. This unit includes lessons on point of view, narrative hooks, and building suspense. Learners complete prompts and short writing exercises to apply what they learn and produce complete narrative essays. Teachers and homeschool families can use this unit for writing lessons, practice, or assignments throughout the school year. The worksheets include examples, writing prompts, and an answer key for instruction and review. Narrative Writing Unit Grades 6-9 supports students in developing storytelling skills that connect imagination, expression, and organization in written form. **Becoming a Teacher of Writing in Elementary Classrooms** Donna Kalmbach Phillips, Mindy Legard Larson, 2015-12-22 Becoming a Teacher of Writing in Elementary Classrooms nurtures teachers' identities as writers, connects to the realities of writing instruction in real and diverse classrooms, and encourages critical and creative thinking. This text is about writing instruction as a journey teachers and students embark on together. The focus is on learning how to teach writing through specific teaching and learning structures found in the Writing Studio: mini-lessons, teacher and peer conferencing, guided writing, and sharing, celebrating, and broadcasting writing. Pedagogical features include teaching structures and strategies, Problematising Practice, classroom scenarios, assessment resources, and a Companion Website. Because a teacher who views him or herself as a writer is best positioned to implement the Writing Studio, a parallel text, Becoming a Writer, gives readers space to consider who they are as a writer, their personal process as a writer, and who they might become as a writer. *Writing Strategies That Work* Lori G.
