Kissing Frogs Terry Wylis, 2023-04-18 Modern day American prince Ellis Faraday has a problem he's been a frog for a year his time before hibernation is ending and he's afraid there will be nothing left of him come spring The castle house up the hill seems like a promising place to start looking for a cure if he can convince a human to take him seriously A conversation and maybe a kiss with the pretty man who owns the koi pond might do the trick On a Friday night Galen Townsend just wants to curl up and read in the backyard of the house he shares with his brothers but the frog addressing him from the wall of the koi pond has him questioning his sanity Moreso when he gives the frog a peck on the nose just to be nice and the frog becomes a handsome precious man Unfortunately Galen's cure proves temporary After a few hours Ellis is back to hopping and croaking but at least he has an ally and a warm place to stay Now they just have to keep Galen's brothers from discovering a frog in the house while they work out how to break the spell How many kisses can it possibly take
