The Power of Resilience Peniel Mugo, 2022-12-27 Individuals don't choose when where and in what circumstances to be born. They just find themselves there. It therefore calls for focus, patience, hard work, determination, and above all, trust in God to get to the desired end. This book is about where, when, and under what circumstances this author was born and raised. It also informs about the Kenyan people and what Kenya can offer to the rest of the world. It also attempts to prepare new arrivals to the United States, especially those from developing countries, on the challenges that they are likely to encounter.
