Australian National Bibliography ,1996-05 *Transcending Boundaries* Sandra L. Beckett,2013-10-11 *Transcending Boundaries Writing for a Dual Audience of Children and Adults* is a collection of essays on twentieth century authors who cross the borders between adult and children s literature and appeal to both audiences This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults It considers classics such as Alice s Adventures in Wonderland and Pinocchio with particular emphasis on post World War II literature The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise Gender and Literacy Karen A. Krasny,2013-02-27 This work offers parents educators and librarians a practical guide to discovering the ways gender identities are constructed through literacy practices providing recommendations for addressing gender inequities in schools and in the community at large *Gender and Literacy A Handbook for Educators and Parents* focuses on issues related to the gendered experience of students from pre kindergarten through grade 12 promoting an understanding that the issues surrounding gender cannot be reduced to broad generalizations Author Karen A Krasny seeks to make clear the complex notion of gender construction within the context of redefining what constitutes legitimate literacy practices in schools This handbook will help to guide educators parents and librarians by assisting them in the selection and evaluation of print and media resources The first chapter explains the need to understand the complex relationship between gender and literacy The bulk of the book provides readers with a critical review of the studies conducted to investigate gendered literacy practices while the last three chapters focus on actionable strategies and policy making *Catalog of Copyright Entries.
