Long Walk To Water Two Voice Poem

Arthur Ernest Baker

Long Walk To Water Two Voice Poem:

The Poetic and Dramatic Works of Alfred, Lord Tennyson Alfred Tennyson Baron Tennyson, 1898 Ecstasy Within Discipline John B. Hougen, 1995 *Ecstasy Within Discipline* is a study of the theological and spiritual dimensions of Richard Wilbur's poetry. First it places Wilbur in the context of a generation of American writers who were searching for poetic ways to acknowledge the power of life's non-rational dimensions including the spiritual. Then it traces the several strategies found repeatedly in Wilbur's poems by which the poet leads his readers toward significant theological insights and spiritual encounters. Finally Wilbur's understanding of the relationship of spirit and the material world is compared with that of Emerson, Dickinson, Frost, Merton, and the Christian scriptures. Richard Wilbur proves to be a writer whose immense skill at his craft is matched by the profundity of his exploration of the human spirit and the transcendence for which it hungers. This is the first book-length study of Wilbur's poetry to focus on its theological and spiritual import. BOOK JACKET Title Summary field provided by Blackwell North America Inc. The Spectator, 1896 *Got Up Late the Other Day* Paul Rooney, 2006 *Got Up Late the Other Day* is the first comprehensive overview of Paul Rooney's sophisticated art practice; it presents a collection of twenty-four works spanning the seven years from 1998 to 2005, from early CD albums through sound pieces, video, text, and performances. This publication has grown out of the exhibition *Know Your Place*, 18 September–4 December 2004, at firstsite, Rooney's first major exhibition in the South East, which united his largest body of work to date. The book marks a pivotal career moment, finding Rooney attracting significant national and international acclaim that takes him from his home city of Liverpool to Cuba, Germany, and Australia. This geographic shift from a local to global context is reflected in the content, aspiration, and feel of his work. Recent pieces move away from re-presenting everyday stories from his own life or the lives of Liverpudlians to more poetic films reflecting serious historical and political situations. **The Illustrated London News**, 1874 **Catalog of Copyright Entries** Library of Congress.
