Brenneis, 2018-01-01 Spaniards in Mauthausen is the first study of the cultural legacy of Spaniards imprisoned and killed during the Second World War in the Nazi concentration camp Mauthausen By examining narratives about Spanish Mauthausen victims over the past

seventy years author Sara J Brenneis provides a historical critical and chronological analysis of a virtually unknown body of work. Diverse accounts from survivors of Mauthausen chronicled in letters artwork photographs memoirs fiction film theatre and new media illustrate how Spaniards have become cognizant of the Spanish government's relationship to the Nazis and its role in the victimization of Spanish nationals in Mauthausen. As political prisoners their numbers and experiences differ significantly from the millions of Jews exterminated by Hitler yet the Spaniards in Mauthausen were nevertheless objects of Nazi violence and witnesses to the Holocaust. Perfeccionamiento del español, Spain, the Second World War, and the Holocaust Sara J. Brenneis, Gina Herrmann, 2020-04-02 Spain has for too long been considered peripheral to the human catastrophes of World War II and the Holocaust. This volume is the first broadly interdisciplinary scholarly collection to situate Spain in a position of influence in the history and culture of the Second World War. Featuring essays by international experts in the fields of history literary studies cultural studies political science sociology and film studies this book clarifies historical issues within Spain while also demonstrating the impact of Spain's involvement in the Second World War on historical memory of the Holocaust. Many of the contributors have done extensive archival research bringing new information and perspectives to the table and in many cases the essays published here analyze primary and secondary material previously unavailable in English. Spain the Second World War and the Holocaust reaches beyond discipline genre nation and time period to offer previously unknown evidence of Spain's continued relevance to the Holocaust and the Second World War.
