Against Inequality Tom Malleson, 2023 In an era of remarkable wealth idolatry Tom Malleson investigates the ethical justifications of wealth inequality taking the radical position that we should abolish the billionaires Stark inequality is a problem the world over but it has been worsening over the past thirty years particularly in rich economically developed countries To acquire the same amount of wealth as Elon Musk the average American worker would have to work for more than four and a half million years Is this inequality morally acceptable and is it feasible to actually reduce inequality in the real world In *Against Inequality* Tom Malleson makes the case for rejecting meritocracy presenting a strong defense against the claim that individuals deserve their wealth Malleson argues that people especially rich people do not morally deserve the bulk of their income because it does not by and large come from anything the specific individual does but is largely due to the vast understructure of other people's labor in addition to their lucky possession of

bodily talents and efforts Furthermore the book brings to light extensive historical and comparative evidence to show that raising taxes on both income and wealth is practically feasible and that the costs of doing so are far outweighed by the truly enormous benefits that such taxes could bring in terms of environmental sustainability democratic equality equal opportunity and reduced racism and xenophobia Unlike previous books on inequality Against Inequality focuses on the superrich arguing that they have far too much a world with billionaires alongside severe deprivation is a world without justice Malleon's argument is not that billionaires are individually evil but that a society that allows the existence of the superrich is structurally immoral In an era of remarkable wealth idolatry Against Inequality takes the radical position that we should abolish the billionaires *The Economist*, 2002 Taxmann's CRACKER for Financial Reporting (Paper 1 | FR) - Single-volume Toolkit Featuring CA Final FR Past Exam Question—Ind AS Para-tagged | RTPs/MTPs for CA Final | Jan./May 2026 Exams CA Parveen Sharma, CA Kapileshwar Bhalla, 2025-09-23 Financial Reporting CRACKER Previous Exam Solved Papers is a purpose built practice manual designed for CA Final students preparing for Group I Paper 1 This Edition consolidates questions from CA Final up to September 2025 into one cohesive volume Each Ind AS is treated in depth with questions arranged sub topic wise against the paragraph numbers of the standard enabling pinpoint revision for the Jan May 2026 attempts The Present Publication is the 13th Edition authored by CA Parveen Sharma CA Kapileshwar Bhalla with the following noteworthy features Full Past exam Coverage Solved papers through Sept 2025 with step by step working notes Chapter wise Marks Distribution Trend Analysis Ten attempt data table highlights high yield Ind AS RTPs MTPs Selections Handpicked questions from ICAI's Revision and Mock Test Papers for extra depth Sub topic Tagging by Ind AS Paragraph Quickly trace each question to its exact standard reference ICAI Study material Mapping Dual tables i chapter to chapter ii unit to unit ensuring zero syllabus gaps Strategic Aids Average marks column examiner trend notes and theory capsules for scoring the theory marks The coverage of the book is as follows All 36 Ind AS Framework Topics o From Presentation of FS Ind AS 1 to Accounting Technology High weightage Chapters o Deep practice sets on Ind AS 110 CFS 103 Business Combinations 115 Revenue 109 32 Financial Instruments Emerging Areas o CSR Integrated Reporting Professional Ethics Digital Accounting Theory Focus o Dedicated segments for Conceptual Framework Ethical Duties and IT in Accounting mirroring recent paper trends The structure of the book is as follows Introductory Section o Chapter wise Marks Distribution table up to Sept 2025 o Previous Exams Trend Analysis attempt wise breakdown of question numbers marks and category Core Chapters Ind AS wise o Mini synopsis of key principles o Questions arranged Para wise Sub topic Difficulty gradient o Inline working notes and examiner style solution ICAI Mapping Tables Quick cross reference to module location RTPs MTPs Corner Selected questions flagged with icons for rapid identification Solved Papers Section o May 2024 suggested answers o Nov 2024 suggested answers o May 2025 suggested answers o September 2024 Taxmann's CRACKER for Financial Reporting (Paper 1 | FR) - Single-volume Toolkit Featuring CA Final FR Past Exam Question—Ind AS Para-tagged |
