Whichever activity makes your heart beat faster you'll find something here to make you happy. There are two important things you need to know about Ireland and the Irish. The first is that we're a proud and passionate race. When we commit to something we run with it all the way, whether it's a TV comedy about a trio of priests or a way of life that includes good food, good music, and connection with the very soil of this island we live on. Don't worry though, we're a welcoming people and we'll be very happy to share our passions with you. The second is that we love to have fun, and if that comes with dressing up and preferably a parade, then we'll be so much the happier. We have festivals and celebrations throughout the year, and during the summer you'll find at least one somewhere in the country every weekend. We celebrate everything from matchmaking to Halloween, and we don't do it in a small way. This guide will guide you through a country as diverse as beautiful, where to sleep, the best restaurants, and those little tips and recommendations which can turn a regular vacation into something completely magical. You'll be helped through how to use the local traffic, not very complicated, and what you need to do if you want to get into the best nightclubs, slightly more complicated.
