Life Science Paper For November 2014

Terry Jacobs, Andrew A. Signore

Life Science Paper For November 2014:

Dual-use life science research and biosecurity in the 21st Century: Social, Technical, Policy, and Ethical Challenges

Jonathan E. Suk, Kathleen M. Vogel, Amanda Jane Ozin, 2015-06-04 In September 2011 scientists announced new experimental findings that would not only threaten the conduct and publication of influenza research but would have significant policy and intelligence implications The findings presented a modified variant of the H5N1 avian influenza virus hereafter referred to as the H5N1 virus that was transmissible via aerosol between ferrets These results suggested a worrisome possibility the existence of a new airborne and highly lethal H5N1 virus that could cause a deadly global pandemic In response a series of international discussions on the nature of dual use life science arose These discussions addressed the complex social technical political security and ethical issues related to dual use research This Research Topic will be devoted to contributions that explore this matrix of issues from a variety of case study and international perspectives **How America**

Stacks Up Edward Alden, Rebecca Strauss, 2016-02-01 American leadership in the world is built on the foundation of its economic strength Yet the United States faces enormous economic competition abroad and threats to its economy at home In *How America Stacks Up* Economic Competitiveness and U S Policy Edward Alden Bernard L Schwartz senior fellow at the Council on Foreign Relations and director of the Renewing America initiative and Rebecca Strauss associate director of Renewing America focus on those areas of economic policy that are the most important for reinforcing America's competitive strengths Covering education transportation trade and investment corporate tax worker retraining regulation debt and deficits and innovation *How America Stacks Up* shows how in a highly competitive global economy these seemingly domestic issues are all crucial to U S success in the global economy The line between domestic economic policy and foreign economic policy is now almost invisible and getting these policies right matters for more than just U S living standards The United States ability to influence world events rests on a robust competitive economy But without further investment in education infrastructure and innovation Alden and Strauss show the United States runs the risk of endangering its greatest competitive advantage Through insightful analysis and engaging graphics *How America Stacks Up* outlines the challenges faced by the United States and prescribes solutions that will ensure a healthy competitive U S economy for years to come *Good Design*

Practices for GMP Pharmaceutical Facilities Terry Jacobs, Andrew A. Signore, 2016-08-19 This revised publication serves as a handy and current reference for professionals engaged in planning designing building validating and maintaining modern cGMP pharmaceutical manufacturing facilities in the U S and internationally The new edition expands on facility planning with a focus on the ever growing need to modify existing legacy facilities and on current trends in pharmaceutical manufacturing which include strategies for sustainability and LEED building ratings All chapters have been re examined with a fresh outlook on current good design practices *Pharmaceutical Industry and Public Policy in Post-reform India* Reji K. Joseph, 2015-07-24 This book examines the impact of economic reforms in India on the pharmaceutical industry and access to

medicines It traces the changing production and trade pattern of the industry research and development R D preferences and strategies of Indian pharmaceutical firms patent system alongside pricing policy measures and their shortcomings It also analyses the public health financing system in India driven largely by out of pocket expenditure about 60 per cent and characterised by very high share of medicines in total health expenditure A masterful insight into a topical area the work will be indispensable to those working on pharmaceutical industry and public policy It will be of interest to researchers scholars students and policy makers of economics industrial policy public policy intellectual property rights and health financing

Food and Nutrition Throughout Life Sue Shepherd, Antonia Thodis, 2020-07-16 Nutritional requirements vary greatly according to age and lifestyle This evidence based comprehensive text is a complete guide to eating habits across age and population groups It provides the recommendations for intakes of nutrients and foods and diet to achieve optimum health Chapters systematically examine the nutritional issues for individuals from preconception pregnancy and breastfeeding through to adulthood and old age The text features an overview of dietary patterns by age group based on national scientific survey data together with the latest recommendations for optimum nutrition to maintain well being and address specific health concerns The final section examines nutrition issues for specific populations including indigenous groups athletes and the disadvantaged Throughout the text key points are illustrated by case studies and the reader's knowledge is tested via quizzes and study questions With chapters from leading nutrition researchers and educators in Australia New Zealand and Asia this is an excellent introduction to nutrition through the lifespan A comprehensive overview and detailed discussion of food and nutrition topics for all ages and stages of life Robynne Snell Curtin University Additive Manufacturing Handbook Adedeji B. Badiru, Vance V. Valencia, David Liu, 2017-05-19 Theoretical and practical interests in additive manufacturing 3D printing are growing rapidly Engineers and engineering companies now use 3D printing to make prototypes of products before going for full production In an educational setting faculty researchers and students leverage 3D printing to enhance project related products Additive Manufacturing Handbook focuses on product design for the defense industry which affects virtually every other industry Thus the handbook provides a wide range of benefits to all segments of business industry and government Manufacturing has undergone a major advancement and technology shift in recent years
