Max Factor's Hollywood Fred E. Basten,Robert Salvatore,Paul A. Kaufman,1995 For most of the twentieth century the name Max Factor has been synonymous with beauty glamour and style Max Factor s Hollywood Glamour Movies Make Up goes behind the name and shows how a mild mannered Russian immigrant became a legend by changing the faces of Hollywood and the world **Costume, Makeup, and Hair** Adrienne L. McLean,2016-10-07 Movie buffs and film scholars alike often overlook the importance of makeup artists hair stylists and costumers With precious few but notable exceptions creative workers in these fields have received little public recognition even when their artistry goes on to inspire worldwide fashion trends From the acclaimed Behind the Silver Screen series Costume Makeup and Hair charts the development of these three crafts in the American film industry from the 1890s to the present Each chapter examines a different era in film history revealing how the arts of cinematic costume makeup and hair have continually adapted to new conditions making the transitions from stage to screen from monochrome to color and from analog to digital Together the book s contributors give us a remarkable glimpse into how these crafts foster creative collaboration and improvisation often fashioning striking looks and ingenious effects out of limited materials Costume Makeup and Hair not only considers these crafts in relation to a wide range of film genres from sci fi spectacles to period dramas but also examines the role they have played in the larger marketplace for fashion and beauty products Drawing on rare archival materials and lavish color illustrations this volume provides readers with both a groundbreaking history of film industry labor and an appreciation of cinematic costume makeup and hairstyling as distinct art forms **Max Factor** Fred E.

Adrienne L. McLean, 2022-07-15 Ever wonder why so many stars and featured players male or female in movies of Hollywood's Golden Age look like they just stepped out of a beauty parlor even if the story places them in a jungle a hospital bed or the ancient past All for Beauty examines how and why makeup and hairdressing evolved as crafts designed partly to maintain the white flawlessness of men and women as a value in the studio era The book pays particular attention to the labor force exploring the power and influence of cosmetics inventor and manufacturer Max Factor and the Westmore dynasty of makeup artists but also the contributions of others many of them women whose names are far less known At the end of the complex exciting and at times dismaying chronicle it is likely that readers will never again watch Hollywood films without thinking about the roles of makeup and hairdressing in creating both fictional characters and stars as emblems of an idealized and undeniably mesmerizing visual perfection *Summary of Fred E Basten's Max Factor* Milkyway Media, 2024-01-14 Get the Summary of Fred E Basten's Max Factor in 20 minutes Please note This is a summary not the original book Max Factor by Fred E Basten chronicles the life of Max Factor born in Poland in 1877 who rose from a cosmetician in Russia to a makeup mogul in America Max's early exposure to theater and his apprenticeship in cosmetics set the foundation for his future success Despite thriving as a makeup artist for the Russian imperial family he felt trapped and longed for freedom due to the oppressive regime and anti-Semitism Max's daring escape to America with his family led him to the St Louis World's Fair where he introduced his products After personal setbacks including his wife's death and a divorce Max's fascination with the film industry prompted a move to Los Angeles There he innovated makeup suitable for film creating the flexible greasepaint and later Pan Cake makeup for Technicolor films Max Factor's legacy continued through his children particularly Max Factor Jr who furthered the company's success in television makeup and international expansion The Max Factor Beauty Museum in Hollywood preserves his contributions to the beauty industry while his great grandsons carry on the family tradition in cosmetics Max Factor's story is a testament to his impact on Hollywood glamour and the global cosmetics market *Read My Lips* Meg Cohen Ragas, Karen Kozlowski, 1998 Chronicles the history of lipstick and offers stories of the many famous women who have worn it throughout history with a review of its impact on fashion today and many other lipstick facts
