 Mosiuoa Sekese, 2013-05-16 Twenty twenty hindsight means perfect understanding of events only after they have happened
 In his book Mosiuoa Sekese looks back on his life in the old and new South Africa and gives his own perceptive interpretation
 of the past events Sekese suffered discrimination and prejudice under the old apartheid government as well as the new
 democratic regime His story is highly personal but provides the reader with unique insights into the social and educational
 challenges that South Africa continues to grapple with I had a quick read and I find the content heartbreaking but
 fascinating Especially as a white South African you are drawing me into a world that I always knew existed but which few
 people have the guts and conviction to paint into words Louise Heystek Emerton CEO Wordwise Khuluma Awethu
