

Life Science Journal

(Acta Zhengzhou University Overseas Edition)

Life Science Journal, the overseas edition of the Zhengzhou University Acta, is an international journal intended to enhance the free international dissemination of scientific and sociological knowledge. Papers and reports directly related to the life sciences—in a broad sense of the term—are welcome. Thoughtful articles on topics indirectly related to the life sciences will also be considered for publication. Papers submitted may be reviews, objective descriptions, research reports, opinions/debates, news, letters, and other types of writing. Let us work together to disseminate our research results and our thoughtful opinions.

Instructions to Authors

1. General Information

(1) **Goals:** As an international journal published both in print and on the internet, *Life Science Journal* is dedicated to the dissemination of fundamental knowledge of all aspects of the life sciences and related topics. The main purpose of *Life Science Journal* is to enhance the spread of knowledge by means of open-minded publication. The journal includes full-length papers (original contributions), review articles, rapid communications, and debates and opinions.

(2) **What to do:** *Life Science Journal* provides an international forum for the dissemination and discussion of scientific news, theory and such philosophy as may promote scientific progress. Research reports and other texts containing new and significant information of general interest are welcome.

(3) **Who may contribute:** All people in all countries are welcome to submit manuscripts in English.

(4) **Publication costs:** The journal production costs are paid by Zhengzhou University.

(5) **Journal copies delivered gratis to authors:** One hard copy of the journal will be provided free of charge to the author(s).

(6) **Additional copies available to authors:** Journals can purchase offprints and the hard copies of the journal at the price of US\$5 per item (mailing and handling costs included).

(7) **Other distribution of the journal:** A web version of the journal is accessible worldwide without payment or registration. The journal is distributed free of charge to selected institutions. Other institutions and individuals may purchase it in hard copy at a cost of US\$5/issue.

(8) **Advertisements:** Suitable advertisements will be placed. The price will be calculated at US\$400/page; thus: \$200 for a half page, \$100 for a quarter page, etc.

2. Submission of manuscripts

(1) **Submission methods:** Electronic submission through e-mail is encouraged. A hard copy accompanied by text-data on an IBM-formatted computer diskette would also be acceptable.

(2) **Software:** Microsoft Word files (.doc) are preferred.

(3) **Font:** Use Times New Roman, 10-point, single-spaced; put in boldface type the title and subtitles, e.g. "Costs and Debt".

(4) **Paragraph indentations:** Type four spaces at the beginning of each new paragraph.

(5) **Text format:** Use standard margins. Don't use the "Footnote" or "Header/Footer" features of the word-processor.

(6) **Captions of figures and tables:** Use the full words "Figure" and "Table", e.g. "Figure 1. Annual Income of Different Groups", "Table 1. Annual Increase of Investment".

(7) **References:** In the text, cite references by an author's last name and the year of publication, e.g. "(Smith, 2003)". The list of references should include, for each item, all the authors' last names and initials, the title of the item, and all the details needed to find it, as in the following examples:

[**Journal article:**] Hacker J, Hentschel U, Dobrindt U. Prokaryotic chromosomes and disease. *Science* 2003; 301(34):790-3.

[**Book chapter:**] Berkowitz BA, Katzung BG. Basic and clinical evaluation of new drugs. In: Katzung BG, ed., *Basic and clinical pharmacology*. Appleton & Lange Publisher, Norwalk, Connecticut, USA, 1995:60-9.

(8) **Submission address and editorial office:**

Fundamentals of Space Medicine and Clinical Technology Ethan Waisberg, Joshua Ong, Andrew G. Lee, 2025-12-19 *Fundamentals of Space Medicine and Clinical Technology* is a comprehensive guide that delves into the advanced technologies utilized in space medicine today. The book is structured into three sections: an introduction to the physiology of space medicine, a detailed overview of various space medicine technologies, and the application of these technologies on Earth. Authored by leading experts in the field, it aims to bridge the gap between space medicine physiology and technological advancements, offering valuable insights. Additionally, the book serves as a useful resource for doctors, engineers, commercial industries, and governments, highlighting the significance of translational applications of space medicine technologies. This is a pivotal read for anyone interested in the intersection of space exploration and medical science. Introduces readers to space medicine physiology. Presents a variety of space medicine technologies. Includes translational applications of the technologies.

Collaboration and Integration in Construction, Engineering, Management and Technology Syed M. Ahmed, Paul Hampton, Salman Azhar, Amelia D. Saul, 2020-12-21 This book gathers papers presented at the 11th International Conference on Construction in the 21st Century held in London in 2019. Bringing together a diverse group of government agencies, academics, professionals, and students, the book addresses issues related to construction safety, innovative technologies, lean and sustainable construction, international construction, improving quality and productivity, and innovative materials in the construction industry. In addition, it highlights international collaborations between various disciplines in the areas of construction, engineering, management, and technology. The book demonstrates that as the industry moves forward in an ever-complex global economy, multi-national collaboration is crucial, and its future growth will undoubtedly depend on international teamwork and alliances.

Life Science Journal 2014 Introduction

In today's digital age, the availability of Life Science Journal 2014 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Life Science Journal 2014 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Life Science Journal 2014 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Life Science Journal 2014 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Life Science Journal 2014 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Life Science Journal 2014 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Life Science Journal 2014 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Life Science Journal 2014 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Life Science Journal 2014 books and manuals for download and embark on your journey of knowledge?
