## **Mating By Norman Rush:**

*Mating* Norman Rush, 1992-09-01 NATIONAL BOOK AWARD WINNER Is love between equals possible This modern classic is a delightful intellectual love story that explores the deepest canyons of romantic love even as it asks large questions about society geopolitics and the mystery of what men and women really want Luminous Few books evoke the state of love at its apogee The New York Times Book Review The best rendering of erotic politics since D H Lawrence The voice of Rush's narrator is immediate instructive and endearing The New York Review of Books One of The Atlantic's Great American Novels of the Past 100 Years The narrator of this splendidly expansive novel of high intellect and grand passion is an American anthropologist at loose ends in the South African republic of Botswana She has a noble and exacting mind a compelling waist and a busted thesis project She also has a yen for Nelson Denoon a charismatic intellectual who is rumored to have founded a secretive and unorthodox utopian society in a remote corner of the Kalahari one in which he is virtually the only man What ensues is an exhilarating quest and an exuberant comedy of manners A dryly comic love story about grown up people who take the life of the mind seriously Newsweek

*Whites* Norman Rush, 2011-03-02 A collection of short stories from the National Book Award winning author of *Mating* Powerful and original always convincingly authentic The ironies keep cutting in new directions The New York Times Whether they are Americans Brits or a stubborn and suicidally moral Dutchman Norman Rush's whites are not sure why they are in Botswana Their uncertainty makes them do odd things Driven half mad by the barking of his neighbor's dogs Carl dips timidly into native witchcraft only to jump back out at the worst possible moment Ione briskly pursues a career as a seducer A seductress was merely someone who was seductive and who might or might not be awarded a victory But a seducer was a professional while her dentist husband fends off the generous advances of an African cook Funny sad and deeply knowing polished throughout to a diamond glitter *Whites* is a magnificent collection of stories

*Subtle Bodies* Norman Rush, 2014-06-03 A NEW YORK TIMES NOTABLE BOOK National Book Award winning author of *Mating* In a sophisticated romp through the tribulations and joys of marriage and friendship a group of college friends reunites two decades after graduation Rush is the best kind of comic novelist The New York Times Book Review After the sudden death of Douglas once the ringleader of a clique of self-styled wits his four best friends are summoned to his Catskills estate to mourn his passing Responding to a mysterious sense of emergency in the call Ned flies in from San Francisco with his wife Nina in furious pursuit they're at a critical point in their attempts to conceive and she won't let a funeral get in the way It is Nina who gives us a pointed irreverent commentary as the men reconvene while Ned tries to understand what it was that made this clutch of souls his friends to begin with before time sex work and the brutal quirks of history reshaped them Filled with unexpected funny telling aperçus Norman Rush's *Subtle Bodies* is also a deeply moving exploration of the meanings of life

*Mortals* Norman Rush, 2011-03-23 At once a political adventure a portrait of a passionate but imperiled marriage and an acrobatic novel of ideas from the National Book Award winning author of *Mating*

An astonishing accomplishment A detonation of talent that threatens to incinerate competitors for miles around The Christian Science Monitor Mortals marks Norman Rush's return to the territory he has made his own the southern African nation of Botswana Nobody here is entirely what he claims to be Ray Finch is not just a middle aged Milton scholar but a CIA agent His lovely and doted upon wife Iris is also a possible adulteress And Davis Morel the black alternative physician who is treating her while undertaking a quixotic campaign to de Christianize Africa may also be her lover As a spy the compulsively literate Ray ought to have no trouble confirming his suspicions But there's the distraction of actual spying Most of all there's the problem of love which Norman Rush anatomizes in all its hopeless splendor in a novel that would have delighted Milton Nabokov and Graham Greene

**The Novel Cure** Ella Berthoud, Susan Elderkin, 2014-12-30 Delightful elegant prose and discussions that span the history of 2 000 years of literature Publisher's Weekly A novel is a story transmitted from the novelist to the reader It offers distraction entertainment and an opportunity to unwind or focus But it can also be something more powerful a way to learn about how to live Read at the right moment in your life a novel can quite literally change it The Novel Cure is a reminder of that power To create this apothecary the authors have trawled two thousand years of literature for novels that effectively promote happiness health and sanity written by brilliant minds who knew what it meant to be human and wrote their life lessons into their fiction Structured like a reference book readers simply look up their ailment be it agoraphobia boredom or a midlife crisis and are given a novel to read as the antidote Bibliotherapy does not discriminate between pains of the body and pains of the head or heart Aware that you've been cowardly Pick up To Kill a Mockingbird for an injection of courage Experiencing a sudden acute fear of death Read One Hundred Years of Solitude for some perspective on the larger cycle of life Nervous about throwing a dinner party Ali Smith's There but for The will convince you that yours could never go that wrong Whatever your condition the prescription is simple a novel or two to be read at regular intervals and in nice long chunks until you finish Some treatments will lead to a complete cure Others will offer solace showing that you're not the first to experience these emotions The Novel Cure is also peppered with useful lists and sidebars recommending the best novels to read when you're stuck in traffic or can't fall asleep the most important novels to read during every decade of life and many more Brilliant in concept and deeply satisfying in execution The Novel Cure belongs on everyone's bookshelf and in every medicine cabinet It will make even the most well read fiction aficionado pick up a novel he's never heard of and see familiar ones with new eyes Mostly it will reaffirm literature's ability to distract and transport to resonate and reassure to change the way we see the world and our place in it This appealing and helpful read is guaranteed to double the length of a to read list and become a go to reference for those unsure of their reading identities or who are overwhelmed by the sheer number of books in the world Library Journal

**Despite Good Intentions** Thomas W. Dichter, 2003 For more than thirty five years Thomas W Dichter has worked in the field of international development managing and evaluating projects for nongovernmental organizations directing a Peace Corps country program and serving as a consultant for such agencies as USAID UNDP and the World Bank On the basis of this extensive and varied experience he has become an outspoken critic of what he terms the international poverty alleviation industry He believes that efforts to reduce world poverty have been well intentioned but largely ineffective On the whole the development industry has failed to serve the needs of the people it has sought to help To make his case Dichter reviews the major trends in development assistance from the 1960s through the 1990s illustrating his analysis with eighteen short stories based on his own experiences in the field The analytic chapters are thus grounded in the daily life of development workers as described in the stories Dichter shows how development organizations have often become caught up in their own self perpetuation and in public relations efforts designed to create an illusion of effectiveness Tracing the evolution of the role of money as opposed to ideas in development assistance he suggests how financial imperatives have reinforced the tendency to sponsor time bound projects creating a dependency among aid recipients He also examines the rise of careerism and increased bureaucratization in the industry arguing that assistance efforts have become disconnected from important lessons learned on the ground In the end Dichter calls for a more light handed and artful approach to development assistance with fewer agencies and experts involved His stance is pragmatic rather than ideological or political What matters he says is what works and the current practices of the development industry are simply not effective **Time** Britton Hadden, Henry Robinson Luce, 2003 The Writers Laura Wilson, 2022-01-01 Intimate photo essays of thirty eight important writers including Margaret Atwood Gabriel Garcia Marquez Zadie Smith and Colm Tóibín We've all seen writers on the dust jackets of their books These portraits it seemed to me generally failed to convey either character or personality Writers deserve better I wanted to make compelling pictures that would stick in the mind's eye Laura Wilson Inspired by the classic photo essays that once appeared in *Life* magazine renowned photographer Laura Wilson presents dynamic portraits of thirty eight
