This diagram illustrates the exploded view of a mechanical assembly, possibly a pump or actuator. The main component is a large, complex housing with a central cylindrical section. To the left, there is a smaller, separate assembly consisting of a cylindrical body and a flange. Above the main housing, several smaller components are shown, including a long, thin rod, a spring, and various small pins and washers. To the right, a control lever or actuator is shown, which is connected to the main housing via a linkage mechanism. The diagram is a technical line drawing, typical of engineering manuals.
