2014-10-28
- Language : English
- ISBN-10 : 0231168411
- ISBN-13 : 9780231168410

## Book Synopsis

Ideas of masculinity and femininity become sharply defined in war-reliant societies, resulting in a presumed enmity between men and women. This so-called "battle of the sexes" is intensified by the use of misogyny to encourage men and boys to conform to the demands of masculinity. These are among Tom Digby's fascinating insights shared in *Love and War*, which describes the making and manipulation of gender in militaristic societies and the sweeping consequences for men and women in their personal, romantic, sexual, and professional lives. Drawing on cross-cultural comparisons and examples from popular media, including sports culture, the rise of "gonzo" and "bangbus" pornography, and "internet trolls," Digby describes how the hatred of women and the suppression of empathy are used to define masculinity, thereby undermining relations between women and men—sometimes even to the extent of violence. Employing diverse philosophical methodologies, he identifies the cultural elements that contribute to heterosexual antagonism, such as an enduring faith in male force to solve problems, the glorification of violent men who suppress caring emotions, the devaluation of men's physical and emotional lives, an imaginary gender binary, male privilege premised on the subordination of women, and the use of misogyny to encourage masculine behavior. Digby tracks the "collateral damage" of this disabling misogyny in the lives of both men and women, but ends on a hopeful note. He ultimately finds the link between war and gender to be dissolving in many societies: war is becoming slowly de-gendered, and gender is becoming slowly de-militarized.

## **Love And War How Militarism Shapes Sexuality And Romance:**

Love and War Tom Digby, 2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes is intensified by the use of misogyny to encourage men and boys to conform to the demands of masculinity These are among Tom Digby s fascinating insights shared in *Love and War* which describes the making and manipulation of gender in militaristic societies and the sweeping consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and internet trolls Digby describes how the hatred of women and the suppression of empathy are used to define masculinity thereby undermining relations between women and men sometimes even to the extent of violence Employing diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men s physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming slowly de gendered and gender is becoming slowly de militarized

*Love and Death in the Great War* Andrew J. Huebner, 2018-02-01 Americans today harbor no strong or consistent collective memory of the First World War Ask why the country fought or what they accomplished and democracy is the most likely if vague response The circulation of confusing or lofty rationales for intervention began as soon as President Woodrow Wilson secured a war declaration in April 1917 Yet amid those shifting justifications *Love and Death in the Great War* argues was a more durable and resonant one Americans would fight for home and family Officials in the military and government grasping this crucial reality invested the war with personal meaning as did popular culture Make your mother proud of you And the Old Red White and Blue went George Cohan s famous tune Over There Federal officials and their allies in public culture in short told the war story as a love story Intervention came at a moment when arbiters of traditional home and family were regarded as under pressure from all sides industrial work women s employment immigration urban vice woman suffrage and the imagined threat of black sexual aggression Alleged German crimes in France and Belgium seemed to further imperil women and children War promised to restore convention stabilize gender roles and sharpen male character *Love and Death in the Great War* tracks such ideas of redemptive war across public and private spaces policy and implementation home and front popular culture and personal correspondence In beautifully rendered prose Andrew J Huebner merges untold stories of ordinary men and women with a history of wartime culture Studying the radiating impact of war alongside the management of public opinion he recovers the conflict s emotional dimensions its everyday rhythms heartbreaking losses soaring

possibilities and broken promises     Ethics, Security, and the War-machine Ned Dobos,2020 This book addresses the question of when if ever and why if at all it is justifiable for a polity to prepare for war by militarizing In doing so it highlights the ways in which a civilian population compromises its own security in maintaining a permanent military establishment and explores the moral and social costs of militarization     **Feminist Collections** ,2014     Dance Research Journal ,1990

**Forthcoming Books** Rose Army,1996-06     **Peace, Love and War** Tom Cornett,2013-06-08 Three erotic romance short stories taking place during the World War two Era The first story is about a young soldier who meets a young German woman after the war He falls into an erotic situation that remains a mystery for life The second story is of a soldier and a young woman who find love before the war and find a greater love after the war The third story is about a woman who sells her unused wedding dress to a war correspondent Her fantasies take her over the threshold of sex and bring her love     **Abuses of the Erotic** Josh Cerretti,2019-07 Events ranging from sexual abuse at Abu Ghraib to the end of Don t Ask Don t Tell hint that important issues surrounding gender and sexuality remain at the core of political and cultural problems Nonetheless intersectional analyses of militarism that account for questions of race class and gender remain exceedingly rare Abuses of the Erotic fills this gap by offering a comprehensive picture of how military values have permeated the civilian cultural sphere and by investigating connections between sexuality and militarism in the United States since the late 1980s Josh Cerretti takes up the urgent task of applying an interdisciplinary transnational framework to the role of sexuality in promoting expanding and sustaining the war on terror to understand the links between what Cerretti calls domestic militarism and later projects of state backed violence and intervention This work brings together scholarship on domestic and international militarization in relation to both homosexuality and heterosexuality to demonstrate how sexual and gender politics have been deployed to bolster U S military policies and by tracking over a decade of militarized sexuality how these instances have foundationally changed how we think of sexual and gender politics today     **Love and War, Or, The Romance of Military Life** Edward Quillinan,1841     In Love and War Charles Gibbon,2012-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy     Love and War Martin Allen,2024-08-12 A story ordinary in other times extraordinary against the backdrop of war of a couple from comfortable middle class homes their relationship sustained through six long years of separation by correspondence and brief interludes of leave As Stanley fights from Normandy to Germany experiencing the brutality and privations of war Peggy strives to maintain a normal life as a nurse and then a mother After victory Stanley s time as part of the army of occupation requires him to administer both German civilians and military and to attend the Belsen trial seeing at first hand the cruel

face of Nazism The story evolves around the correspondence the couple baring their souls to each other absence sometimes leading to increasingly explicit sexual fantasising And for Stanley there is apprehension about the mundanity of life in a time of peace and the reality of a relationship so embellished by imagination

**In Love and War** Charles Gibbon,1889 **In Love and War** Charles 1843-1890 Gibbon,2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Forces Sweethearts** Joanna Lumley,2004 Wartime romance represents the human side of war often obscured by battlefield action and technological might This book explores the special nature of relationships in wartime It discusses the way war brings some couples together and pulls others apart how love survives while partners are separated by thousands of miles and how people cope with the constant fear that loved ones may never return

**In Love and War** Charles Gibbon,2015-02-20 This is a curated and comprehensive collection of the most important works covering matters related to national security diplomacy defense war strategy and tactics The collection spans centuries of thought and experience and includes the latest analysis of international threats both conventional and asymmetric It also includes riveting first person accounts of historic battles and wars Some of the books in this Series are reproductions of historical works preserved by some of the leading libraries in the world As with any reproduction of a historical artifact some of these books contain missing or blurred pages poor pictures errant marks etc We believe these books are essential to this collection and the study of war and have therefore brought them back into print despite these imperfections We hope you enjoy the unmatched breadth and depth of this collection from the historical to the just published works

*Romance* Michael Rice,1980 **Sexuality and War** ,1990 Love and War Jack Anderson,2003 Shortly after reporting for duty at a US Army hospital in 1968 Vietnam drop dead gorgeous ARC social worker Charity Hamilton found herself in deep trouble In love with her psychiatrist Major Mike Van Horn she had tried to divert him from discovering her checkered past by filling their therapy sessions with steamy

*On Foreign Ground* Eduardo Quiroga,1987-05-01 **Abuses of the Erotic** Joshua Cerretti,2014 A growing body of scholarship critically examines the importance of sexuality to both the historical Cold War and the contemporary War on Terror but fewer scholars have paid attention to the decade in between these two era defining conflicts Focusing on news coverage in The New York Times as well as government documents and declarations the dissertation investigates the connections between sexuality and militarism in the United States during the

1990s Drawing upon women of color feminisms and queer of color critique this work is an interdisciplinary and intersectional cultural history that connects geopolitics to the politics of identity histories of non normative sexualities to the construction of heterosexuality and transnational militarized violence to state violence at home This study addresses military engagements in Iraq Panama and the former Yugoslavia civil conflicts at Ruby Ridge Waco and Oklahoma City the regulation of lesbian and gay identity in the U S military and the epidemic of sexual assault by and of members of the military This dissertation intervenes in the fields of Sexuality Gender American Ethnic Media and Peace Studies through arguing that sexualities in the United States became increasingly militarized during the 1990s by way of representations and actions that presented normal sexuality as complicit with militarized violence and abnormal sexualities as deserving of state violence
