Love Letter To The World:

Love Letter to the Earth Thich Nhat Hanh, 2013-06-17 The world renowned Zen monk argues for a more mindful spiritual approach to environmental protection and activism one that recognizes people and planet as one and the same While many experts point to the enormous complexity in addressing issues ranging from the destruction of ecosystems to the loss of millions of species Thich Nhat Hanh identifies one key issue as having the potential to create a tipping point He believes that we need to move beyond the concept of the environment as it leads people to experience themselves and Earth as two separate entities and to see the planet only in terms of what it can do for them Thich Nhat Hanh points to the lack of meaning and connection in peoples lives as being the cause of our addiction to consumerism He deems it vital that we recognize and respond to the stress we are putting on the Earth if civilization is to survive Rejecting the conventional economic approach Nhat Hanh shows that mindfulness and a spiritual revolution are needed to protect nature and limit climate change *Love Letter to the Earth* is a hopeful book that gives us a path to follow by showing that change is possible only with the recognition that people and the planet are ultimately one and the same *Love Letters to the World* Coleen Fountain, 2015-03-13 Volume 2 *Love Letter to the World* is a book of poems and letters It has thoughts and feelings of people I love It has a portion that speaks as if Jesus was here talking with a love that he would have I like for my readers to see how when youre in love the way one expresses their feelings and thoughts out on paper I basically did this to make a book I liked expressing myself in these thoughts I wanted to share these with you the readers This is pretty much what this book is about Did I mention it is not a PG either It gets a bit steamy at times You just have to use your imagination **Love Letter to the World** Coleen Fountain, 2014-12-04 *Love Letter to the World* is about things that would cross your mind daily Readers may notice early on that some of letters and poems are not PG 13 Some of my letters are about God love humor and questions Some of these have been my thoughts and my life s experiences So sit back and enjoy My love letters and poems are passionate and maybe a little erotic Some may want you to call on the Lord I would like for this book to encourage motivate and stimulate someone to the Lord and see all that he has to offer you *Love Letters to the World* Meia Geddes, 2016-10 *Love Letters to the World* a series of 120 lyrical missives addresses the world as body concept and stranger This is an exercise in love an attempt at developing taste a test of how sweet a word can be an ode to moments This is a manifestation of slowness and quiet and sunshine early mornings and late evenings glad memories and slender times This is yearning and giving an extended meditation on letters what they can and cannot do for one s being Ultimately this collection is a celebration and exploration of life love language and one s place in the world **Letters to a man of the world ...
