Look At The Fields A Christian Baseball Devotional:

Look at the Fields Don Leyboldt, 2015-01-16 From opening day to the end of the season Look at the Fields is dedicated to making sure God remains your coach This unique collection features sixty three devotions each with a baseball themed anecdote that introduces a Christian concept That s nine weeks enough to carry summer baseball league players all the way through the season Readers will learn to live each day as if it s opening day with Christ all while absorbing numerous other lessons that will keep them centered in their faith Each devotion is a daily reading complete with a lesson a Bible memory verse and a prayer Author Don Leyboldt Jr a sportswriter for the Bucks County Herald newspaper hopes Look at the Fields will enable ballplayers to grow in their faith and draw closer to God even when a church family or fellowship group is not available This book is sure to find a home with high school and college baseball players as well as youth pastors as it helps readers continue making home runs for their faith both on and off the field *The Devotional Tales* Nick Shelton, 2004-12 Cancer s Seeming Madness is about David a forty three year old agnostic son who during his cancerous terminal illness as he was searching for truth described his bewilderment as seeming madness This book will help persons confronted with the mystery of suffering and death especially when the issues are personified as they impinge on their own lives or on the lives of ones loved The book is unique in its focus on moments of humor and deep interpersonal relationships David s own words and actions mollify somewhat the vivid portrayal of his search for truth and meaning Is there a God who speaks to us through the natural world and circumstances rarely identified with spiritual truth Does the old word providence often associated with Biblical belief have any meaningful place in a world where science and technology seem to reign supreme Can we see the face of God in art and feel a divine presence in human relationships You ll likely be surprised by the answers that David and those close to him found as they caught a glimpse of the Spirit at work through their tears and laughter Perhaps as you read Cancer s Seeming Madness the mystery of life will begin to open like a flower in spring and you will see the colors of peace purpose and hope as signs of God s presence nurtured by insights in this intriguing book that the author dares call God s Story
