*Love Yourself Like Your Life Depends on It* Kamal Ravikant, 2020-01-07 The bestselling self published phenomenon expanded with new practices and insights a profound story of transformation that teaches you how to heal yourself by learning to love yourself I almost didn't publish *Love Yourself Like Your Life Depends on It* Here I was a CEO who'd fallen apart after his company failed writing a book about how loving himself saved him I thought I'd be a laughingstock and my career would be finished But I stepped through the fears and shared my truth with the world The book went viral Amazing people all over bought copies for friends and family For some this book saved their lives For others it was the first time they ever loved themselves Many readers reached out and asked questions This taught me that to create lasting impact I had to go deeper So seven years later here it is All the questions I received resolved My intention is that by the time you finish this new edition not only will you be committed to loving yourself you'll know exactly how to do it And most importantly how to make it last [Summary of Kamal Ravikant's Love Yourself Like Your Life Depends on It](#) Everest Media, 2022-03-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Loving yourself is not a lip service but a sincere practice It takes commitment and I'll share how I did it It has been transformative for me *The Almanack of Naval Ravikant* Eric Jorgenson, 2025-09-23 Getting rich is not just about luck happiness is not just a trait we are born with These aspirations may seem out of reach but building wealth and being happy are skills we can learn So what are these skills and how do we learn them What are the principles that should guide our efforts What does progress really look like Naval Ravikant is an entrepreneur philosopher and investor who has captivated the world with his principles for building wealth and creating long term happiness *The Almanack of Naval Ravikant* is a collection of Naval's wisdom and experience from the last ten years shared as a curation of his most insightful interviews and poignant reflections This isn't a how to book or a step by step gimmick Instead through Naval's own words you will learn how to walk your own unique path toward a happier wealthier life This book has been created as a public service It is available for free download in pdf and e reader versions on [Navalmanack.com](#) Naval is not earning any money on this book Naval has essays podcasts and more at [Naval](#) and is on Twitter Naval **Total Focus** Brandon Webb, John David Mann, 2017-08-15 What do you do at work when a hundred crises seem to be happening at the same time Do you pick just one priority or try to put out every fire How can you stay composed figure out what really matters and act decisively When former U.S. Navy SEAL sniper Brandon Webb transitioned to civilian life he struggled to get his first startup business off the ground He raised millions for his new venture only to lose it all as problems spiraled out of his control In the wake of that failure Webb realized that successful entrepreneurs need a skill he had already mastered total focus SEAL snipers define it as the ability to filter out noise and chaos so you can make life or death decisions under the extreme conditions of combat If he could maintain total focus while staring through crosshairs at a man who might or might not be an Al Qaeda terrorist surely he could do the same in the business world So Webb started over

applying total focus to a new startup a media company called Hurricane Group His approach was so effective that in just five years Hurricane grew to have a staff of over fifty an audience in the tens of millions and a valuation of more than 100 million In this book Webb teaches us to make better decisions under extreme pressure by emulating the habits of his fellow warriors as well as other skills he learned on the job and from great friends and business leaders like Solomon Choi of 16 Handles Matt Meeker of BarkBox and Betsy Morgan of the Huffington Post and TheBlaze For instance you ll discover The difference between total focus and tunnel vision is developing total situational awareness the ability to spot opportunities and threats without getting distracted from your goal You can overcome indecisiveness and hesitancy by accepting violence of action a decision to move forward with an imperfect plan knowing that even the best laid plans go wrong Entrepreneurs must learn to embrace the suck refusing to quit when the going gets brutal and recognizing that unexpected challenges may reveal your best shot at success By following the tactics and wisdom of a generation of legendary snipers and business leaders you ll find the clarity of mind you need to accomplish your own mission whatever it takes
