**Raymond Ian Page**

## Life Of Ansgar Vita Anskarii:

*The Life of St. Ansgar* St. Rimbart of Hamburg, 2008-07-15 The text of the Vita Ansgarii also known as the Life of St Ansgar is the hagiography work relating to his life and missionary travels written by Rimbart of Hamburg his disciple and successor who assumed the chair of the archbishopric in the German city of Bremen His biography is an important source not only in detailing Ansgar s Scandinavian missionary work to the Swedish and Danish tribes but also in its descriptions of the everyday denizens of the region during the height of the Viking Age

**Routledge Revivals: Key Figures in Medieval Europe (2006)** Richard Emmerson, 2017-07-05 First published in 2006 Key Figures in Medieval Europe brings together in one volume the most important people who lived in medieval Europe between 500 and 1500 Gathered from the biographical entries from the series Routledge Encyclopedias of the Middle Ages these A Z biographical entries discuss the lives of over 575 individuals who have had a historical impact in such areas as politics religion and the arts It includes individuals from places such as medieval England France Germany Iberia Italy and Scandinavia as well as those from the Jewish and Islamic worlds In one convenient volume students scholars and interested readers will find the biographies of the people whose actions beliefs creations and writings shaped the Middle Ages one of the most fascinating periods of world history

*Ansgar, Rimbart and the Forged Foundations of Hamburg-Bremen* Eric Knibbs, 2016-05-23 Ansgar and Rimbart ninth century bishops and missionaries to Denmark and Sweden are fixtures of medieval ecclesiastical history Rare is the survey that does not pause to mention their work among the pagan peoples of the North and their foundation of an archdiocese centered at Hamburg and Bremen But Ansgar and Rimbart were also clever forgers who wove a complex tapestry of myths and half truths about themselves and their mission They worked with the tacit approval if not the outright cooperation of kings and popes to craft a fictional account of Ansgar s life and work The true story very different from that found in our history books has never been told Ansgar did not found any archdiocese at all Rather the idea of Hamburg Bremen only took root in the tenth century and royal sponsorship of the mission to Denmark and Sweden ended with the death of Louis the Pious This book couples detailed philological and diplomatic analysis with broader historical contextualization to overturn the consensus view on the basic reliability of the foundation documents and Rimbart s Vita Anskarii By revising our

understanding of Carolingian northeastern expansion after Charlemagne it provides new insight into the political and ecclesiastical history of early medieval Europe

*Key Figures in Medieval Europe* Richard K. Emmerson, 2013-10-18 From emperors and queens to artists and world travelers from popes and scholars to saints and heretics Key Figures in Medieval Europe brings together in one volume the most important people who lived in medieval Europe between 500 and 1500 Gathered from the biographical entries from the on going series the Routledge Encyclopedias of the Middle Ages these A Z biographical entries discuss the lives of over 575 individuals who have had a historical impact in such areas as politics religion or the arts Individuals from places such as medieval England France Germany Iberia Italy and Scandinavia are

included as well as those from the Jewish and Islamic worlds A thematic outline is included that lists people not only by categories but also by regions For a full list of entries contributors and more visit the Routledge Encyclopedias of the Middle Ages website

**Routledge Revivals: Medieval Scandinavia (1993)** Phillip Pulsiano,Kirsten Wolf,2017-07-05 First published in 1993 Medieval Scandinavia An Encyclopedia covers every aspect of the region during the Middle Ages including rulers and saints overviews of the countries religion education politics and law culture and material life history literature and art Written by a team of expert contributors the encyclopedia offers those who lack command of the various Scandinavian languages a basic tool for the study of Medieval Scandinavia from roughly the Migration Period to the Reformation With full page maps useful supplementary photos cross references and a comprehensive index this work will be a valuable and absorbing volume for students of the Norse sagas the Viking age and Old English history and literature and for anyone interested in the cultural and historical heritage of Scandinavia

The New Schaff-Herzog Encyclopedia of Religious Knowledge Albert Hauck,Samuel Macauley Jackson,Charles Colebrook Sherman,George William Gilmore,1908

**A History of the Christian Church** Karl von Hase,1876

**Medieval Scandinavia** Phillip Pulsiano,1993 With full page maps and supplementary photos this encyclopedia covers every aspect of Scandinavia during the Middle Ages including rulers and saints overviews of the countries religion education politics and law culture and material life history literature and art

**Religion and the Conceptual Boundary in Central and Eastern Europe** Thomas Bremer,2008-04 This volume concentrates on the conceptual boundary through Europe which is determined by Western and Eastern Christianity The single articles research how this boundary has developed in different periods and epochs and in different places They also show that the boundary has never been a stable and defined division but that it was also subject to change and development and a place of encounter and exchange between religions and cultures

**Anskar - The Apostle of the North, 801-865 - Translated from the Vita Anskarii by Bishop Rimbert, His Fellow Missionary and Successor** Charles H. Robinson,2011-04-01 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide

**N.F.S. Grundtvig's Interpretation of Beowulf as a Living Heroic Poem for the People** Mark Bradshaw Busbee,2005

Pragmatic Literacy and the Medieval Use of the Vernacular Inger Larsson,2009

Between 1150 and 1400 Sweden was transformed from a society which was predominantly reliant on oral communication into a society which increasingly deployed writing Latin the traditional language of government and records was gradually replaced by vernacular Swedish The watershed moment in this process was the drafting of national and town laws in the 1350s an event which established Swedish as the language of the judiciary and judicial records From this period written

documentation was gradually integrated into legal procedure Pragmatic Literacy argues that the Crown the expanding bureaucracy the editing of the laws in Swedish and the laws demands for written documentation in everyday transactions were the main driving forces behind the development in medieval Sweden of lay literacy for practical purposes The book demonstrates how the early use of writing by the royal administration and the writing of provincial laws in Swedish created centres of literacy from which literate ways of thinking and acting spread both geographically and socially It further illustrates how literacy moved beyond the confines of the clerical elite by exploring how different members of the laity adopted pragmatic literacy for private purposes Pragmatic Literacy thus traces the history of pragmatic literacy in Sweden through the lens of the judicial and administrative archive Inger Larsson is professor of Swedish Language at the Department of Scandinavian Languages Stockholm University

**The American Benedictine Review** ,2014     A Viking Slave's Saga Jan Fridegård,2007     The History of the Danes: Commentary Saxo (Grammaticus),1979     *The Missionary Life* Ian N. Wood,2001

**KEY BENEFIT** The great missionary figures were crucial to their own time and to posterity They brought Christian belief and culture to the pagan societies of Dark Age Europe Tribal and nomadic societies were propelled out of the forest and the plain into a civilized world that carried the genes of the Roman imperial past The missionaries were crucial too because of the record they and their correspondents left of the cultures they transformed The work of St Augustine in England is just one example The missionaries were not only agents of change they were also some of Europe's first historians Anyone who has read Ian Wood's equally ambitious and compelling survey *The Merovingian Kingdoms 451-1050* will rediscover his ability to bring a remote age to life Here the unreliable history of the missionary life is disentangled by Ian Wood to produce a uniquely wide ranging account giving a sense of the individual experience and collective ethos of the mission the missionaries influence on communities and their links to the rest of Christendom In *The Missionary Life* the roles and aims of the missionaries provide a starting point for the history of early medieval Europe While spiritualism is examined Ian Wood also focuses on the darker side of missionary life flagellation starvation torture as well as sanctity Contemporary willing and unwilling evangelism relates to some of these first Christian pioneers For reader interested in medieval and or church history Also available in hardcover 0 582 31212 4 69 95Y

**The New Schaff-Herzog Encyclopedia of Religious Knowledge** ,1977     **The New Schaff-Herzog Encyclopedia of Religious Knowledge, Embracing Biblical, Historical, Doctrinal, and Practical Theology, and Biblical, Theological, and Ecclesiastical Biography from the Earliest Times to the Present Day** Lefferts Augustine Loetscher,1958     Chronicles of the Vikings Raymond Ian Page,1995

Through translations of their surviving writings the Vikings speak directly to the modern reader in this book revealing much of their everyday feelings and concerns The Vikings are shown as they saw themselves portrayed in their own writings or in the reports of people who knew them closely This book comprises of a series of translations from primary sources runic inscriptions left behind by the Vikings poems of their official skalds literary works that entertained them the

few prose historical accounts that derive direct from the Vikings and eyewitness reports of how the northern peoples lived  
**Quaestiones Medii Aevi Novae** ,2007
