**Living Transnationally between Japan and Brazil** Sarah A. LeBaron von Baeyer, 2019-11-29 Based on over two years of participant observation in labor brokerage firms factories schools churches and people s homes in Japan and Brazil Sarah LeBaron von Baeyer presents an ethnographic portrait of what it means in practice to live transnationally that is to contend with the social institutional and aspirational landscapes bridging different national settings Rather than view Japanese Brazilian labor migrants and their families as somehow lost or caught between cultures she demonstrates how they in fact find creative and flexible ways of belonging to multiple places at once At the same time the author pays close attention to the various constraints and possibilities that people face as they navigate other dimensions of their lives besides ethnic or national identity namely family gender class age work education and religion

*Single Mothers in Contemporary Japan* Aya Ezawa, 2016-05-12 Combining work and family remains a major challenge for married women in contemporary Japan and it s not uncommon for them to quit working when starting a family Single mothers by contrast almost always work regardless of the age of their children Despite their eagerness to support themselves and their children through employment their average income remains low and many live on a household budget

close to the poverty line This book examines how the difficult living conditions facing single mothers in Japan highlight not only the challenges they face in earning a family wage and managing the work family balance but also reveals the class dimensions of family life in contemporary Japan The need to make ends meet with few resources means that mothers may find it difficult to uphold the lifestyle they may consider as most appropriate for the upbringing of their children and that they may have to choose between their presence at home in line with the ideal of the middle class housewife and mother or devoting more time to earning an income that can pay for a good education Social class in this case is not just a matter of education occupation or income but is also expressed by mothers approaches to their children s upbringing and future opportunities in education and employment Based on life history interviews with single mothers this study examines the gendered meanings of social class and social achievement and the role of maternal practices in shaping their children s future life trajectories

Rethinking Japan Arthur Stockwin,Kweku Ampiah,2017-02-15 The authors argue that with the election of the Abe Government in December 2012 Japanese politics has entered a radically new phase they describe as the 2012 Political System The system began with the return to power of the Liberal Democratic Party LDP after three years in opposition but in a much stronger electoral position than previous LDP based administrations in earlier decades Moreover with the decline of previously endemic intra party factionalism the LDP has united around an essentially nationalist agenda never absent from the party s ranks but in the past was generally blocked or modified by factions of more liberal persuasion Opposition weakness following the severe defeat of the Democratic Party of Japan DPJ administration in 2012 has also enabled the Abe Government to establish a political stability largely lacking since the 1990s The first four chapters deal with Japanese political development since 1945 and factors leading to the emergence of Abe Shinz as Prime Minister in 2012 Chapter 5 examines the Abe Government s flagship economic policy dubbed Abenomics The authors then analyse four highly controversial objectives promoted by the Abe Government revision of the 1947 Peace Constitution the introduction of a Secrecy Law historical revision national identity and issues of war apology and revised constitutional interpretation permitting collective defence In the final three chapters they turn to foreign policy first examining relations with China Russia and the two Koreas second Japan and the wider world including public diplomacy economic relations and overseas development aid and finally the vexed question of how far Japanese policies are as reactive to foreign pressure In the Conclusion the authors ask how far right wing trends in Japan exhibit common causality with shifts to the right in the United States Europe and elsewhere They argue that although in Japan immigration has been a relatively minor factor economic stagnation demographic decline a sense of regional insecurity in the face of challenges from China and North Korea and widening gaps in life chances bear comparison with trends elsewhere Nevertheless they maintain that a more sane regional future may be possible in East Asia

**Traveling Texts and the Work of Afro-Japanese Cultural Production** William H. Bridges IV,Nina Cornyetz,2015-06-24 Traveling Texts and the Work of Afro Japanese Cultural Production analyzes the

complex conversations taking place in texts of all sorts traveling between Africans African Diasporas and Japanese across disciplinary geographic racial ethnic linguistic and cultural borders Be it focused on the make up of the blackface ganguro or the haiku of Richard Wright Rastafari communities in Japan or the black enka singer Jero the volume turns its attention away from questions of representation to ones concerning the generative aspects of transcultural production The contributors are interested primarily in texts in motion the contradictory motion within texts the traveling of texts and the action that such kinetic energy inspires in readers viewers listeners and travelers As our texts travel and travail the originary nodal points that anchor them to set significations loosen and are transformed the essays trace how in the process of traveling the bodies and subjectivities of those working to reimagine the text s in new sites moderate accommodate and transfigure both the texts and themselves

Creating Japan's Ground Self-Defense Force, 1945-2015 David Hunter-Chester, 2016-11-30

Creating Japan's Ground Self Defense Force 1945 2015 is a timely contribution to postwar Japan security studies It is the first comprehensive account of Japan's post 1945 army including a comprehensive institutional history together with the evolution of roles and missions and the adoption of successive professional identities The organizational history is embedded within a thorough examination of Japan's own defense policy as well as of America's policy of alliance with Japan The book examines and challenges assumptions about the drafting and adoption of the War Renunciation clause of Japan's postwar Peace Constitution Article 9 which uniquely not only renounces war but the arms to wage war Thus Japan's army is not called an army but the Ground Self Defense Force GSDF The work also examines the place of an army and soldiers in the formation of Japan's national identity after its last devastating war and explores the impact of constitutional legal and policy restrictions as well as the power of the legacy of the still largely vilified Imperial Japanese Army on GSDF members who seek to serve because there are people we want to protect The study is rounded by an examination of the place of soldiers in Japan's popular culture focused on movies manga and anime assessing the impact on the GSDF of a public imagination that most often ignores or villainizes soldiers though ending with a note that some positive images of soldiers and of the GSDF members themselves have started to appear in the last few years The book's author a retired U S Army soldier who spent more than twenty years working studying and training with the GSDF offers a broad ranging exploration of a unique organization This work is extensively researched using English and Japanese sources and will appeal to anyone interested in Japanese security studies alliance studies and military imagery in Japanese pop culture as well as to students of military history international security international relations and cultural identity

### **Japan S Multilayered Democracy New Studies In Modern Japan Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Japan S Multilayered Democracy New Studies In Modern Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Japan S Multilayered Democracy New Studies In Modern Japan has opened up a world of possibilities. Downloading Japan S Multilayered Democracy New Studies In Modern Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Japan S Multilayered Democracy New Studies In Modern Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Japan S Multilayered Democracy New Studies In Modern Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Japan S Multilayered Democracy New Studies In Modern Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize

reputable websites that prioritize the legal distribution of content. When downloading Japan S Multilayered Democracy New Studies In Modern Japan, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Japan S Multilayered Democracy New Studies In Modern Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
