L'homme Ce Roseau Pensant

Blaise Pascal

L'homme Ce Roseau Pensant:

Entre-Textes Oana Pană, Vera A. Klekovkina, 2017-07-28 *Entre Textes* introduces advanced students of French to the richness of the Francophone world through literature from the Middle Ages to the 21st century. The course anthology is divided into fourteen modules each of which pairs a classical text with a modern one. Students are guided to read works from different periods of time and cultural origin and consider how these echo, complement or question each other. Through comparing and contrasting the texts, students will develop a new approach to reading literature while simultaneously reinforcing linguistic and cultural competencies. Suitable for advanced students of French and featuring texts from across the French speaking world, *Entre Textes* is an innovative course anthology with a flexible structure and versatile methodology.

Pascal's Apology for Religion Blaise Pascal, 2013-03-28 Originally published in 1942, this book constitutes the companion volume to *The Heart of Pascal* 1945. Both volumes were formed using selections from Pascal's *Pensées*. The text gathers together a series of selections presented in French which illustrate Pascal's Christian faith and thoughts on the relationship between man and God. An appendix and preface by the editor are also provided. This is a highly informative book that will be of value to anyone with an interest in Pascal and his late thought. *Havet's Practical French Grammar for the Use of English Students* Alfred G.
