Andersen, 2022-01-28 In the pages of this book you will learn of the unlimited power that is yours You will learn how you can turn this power to work for you here on earth to make your life majestic and overflowing with good This is not a religion or a sect or a society In its entirety it is a series of essays aimed at revealing to you your power over all things You will learn that there is only one mover in all creation and that mover is thought You will learn that there is only one creator and that creator is the Universal Subconscious Mind or God You will learn that this creator creates for you exactly what you think and you will be shown how you can control your thoughts not only to obtain answers to your problems but to create in your experience exactly what you desire You will not do this in a day or a week or even a month but do it you will if you keep heart and keep faith It requires only a few minutes of your time each day a few minutes that will reward you with greater vistas in life greater hope and promise than has ever been dreamed There is a cause There is a reason There is a power greater than you are which you are a part of which you can use to make your life good and great and vigorous and full of abundance If thou canst but believe All things are possible to him who believes
