Jane The Stripper:

Jane the Stripper Evelyn Eve, 2014-10-21 Brother John had hoped to spend the rest of his days in peaceful existence inside a small parish free from the insanity and chaos of his former life All is well until he begins to have strange and disturbing dreams unbefitting a man of his calling Dreams within his dreams leads him to encounter what he believes to be the cause of his slip into madness a deadly succubus who has taken the form of a nun in his small sheltered community Tension builds as he realizes that he is not safe anywhere from his inner desires Soon he finds himself unable to separate his dreams from reality and in this fog his past creeps in on him once more Will he be able to make peace with the demons of his past or will the infamous Jane the Stripper add the disoriented monk to her long list of victims Strip Club Kim Price-Glynn, 2010-09-14 Stripper chic is in these days you can watch celebrities strip on Oprah or do it yourself at your local gym but this popular face of stripping hides another side of the industry one that is far less glamorous In Strip Club Kim Price Glynn takes us behind the scenes at The Lion s Den a rundown club where women are compelled to strip out of economic need rather than as a means of liberation and a place where strippers stories often reflect drudgery and dismay Strip Club reveals the intimate working lives of not just the women up on stage but also the patrons and other workers who make the place run the owner manager bartenders deejays doormen bouncers housewives and cocktail waitresses Price Glynn spent fourteen months at The Lion s Den working as a cocktail waitress Her uncommonly deep access reveals a conflict ridden workplace fuelled by competing interests and agendas and stereotypical ideas about women men sexuality race labour and economic value Full of rich insights into the world of a single club Price Glynn argues that the club environment reproduces gender inequalities through the everyday interactions of customers and workers as well as the broader organizational structure and culture of the modern day workplace Taking a novel approach to this controversial and often misunderstood industry Price Glynn draws a fascinating portrait of life and work inside the strip club **Voices from the Inside** Chinyere Ogbonna, Ross Nordin, 2009-09-24 Voices from the Inside takes readers into the cells of a maximum security prison to reveal the personal accounts of over sixty women that are incarcerated for drug crimes The stories will shock and entertain and will certainly help readers to see more than the statistics behind drug offenses Research included in this book examines the history of prohibition in the United States with special emphasis on alcohol and drug prohibition and analyzes empirical data pertaining specifically to the incarceration of female drug offenders in Tennessee Personal interviews with these women regard the criminal justice processes both before and after their incarceration This book is a must read for those seeking to understand the impact of current drug policies on individuals and the community as well as why these policies are not working At the Billionaire's Wedding Maya Rodale, Caroline Linden, Miranda Neville, Katharine Ashe, 2014-11-10 The Bad Boy Billionaire is getting married A stately home in the English countryside seems the ideal place for a bad boy billionaire and his bride to tie the knot Until the Internet fails And the oven breaks And paparazzi invade And
