Planning for your future will be the best investment you can make at this stage of your life. Your attitude, skills and knowledge will help you to choose the path your life will take and could be the difference between a career that excites you and a lifetime of dull and depressing work.

The world of work is changing every day. You will need to be well-informed to keep up with the new jobs and careers which are available. It is important to keep your options open as you may change your mind many times before settle on a path. It is a good idea to choose subjects, which allow you to study a range of careers. Very few people stick to a choice they made in Grade 5.

Task 3. Act.1.1: A possible career

Choose three (3) careers that appeal most to you and that you wish to follow when you leave school and collect information in this career. Do some research on each career. Use the PACE Career Directory to assist you in your research. Use also other resources. You can interview people and find information in books, newspapers, magazines on careers and on the internet.

This project consists of two sections and both must be completed in class not at home! Make sure you bring your information and pictures of this possible career to the class.

The following must be included in your research:

1. Cover page (with your name, grade and topic).
2. Research on 3 careers that appeal most to you.
3. Bibliography.
4. Include relevant pictures and newspaper articles that will support the careers.
5. Number all your pages. Your research must be colourful and creative, neat, informative, well-organised and handed in on time. Your research will be assessed with the following rubric:
