LIFE ORIENTATION MARKING GUIDE

INSTRUCTIONS TO MARKERS

1. Please mark according to the provincial examination guideline.
2. Consider all realistic / relevant answers.
3. Do not expand the memorandum with your own answers as this is a common provincial task and should assist in fair and valid assessment across the province.
4. Adhere to the memorandum throughout the marking process as the questions are content specific and answers should reflect the content taught and assessed.
5. Mark accurately and always check all calculations and transfer of marks.
6. At least 10% of all answer scripts should be remarked by the HOD / senior teacher as part of the post-moderation process.
7. Remember we are working with learners' futures, so let us be fair, valid and just in assessing their work.

This marking guide consists of 7 pages.

Positive Psychotherapy Tayyab Rashid, Martin P. Seligman, 2018-07-17 For over a century the focus of

psychotherapy has been on what ails us with the therapeutic process resting upon the assumption that unearthing past traumas correcting faulty thinking and restoring dysfunctional relationships is curative And indeed they are but in the rush to identify and reduce symptoms of mental disorder something important has been overlooked the positives Should enhancing well being and building upon character strengths and virtues be explicit goals of therapy Positive Psychotherapy provides therapists with a session by session therapeutic approach based on the principles of positive psychology a burgeoning area of study examining the conditions and processes that enable individuals communities and institutions to flourish This clinician s manual begins with an overview of the theoretical framework for positive psychotherapy exploring character strengths and positive psychology practices processes and mechanisms of change The second half of the book contains 15 positive psychotherapy sessions each complete with core concepts guidelines skills and worksheets for practicing skills learned in session Each session also includes at least one vignette as well as discussion of cross cultural implications Mental health professionals of all orientations will find in Positive Psychotherapy a refreshing alternative to symptom based approaches that will endow clients with a sense of purpose and meaning that many have found lacking in more traditional therapies

Media, Revolution and Politics in Egypt Abdalla F. Hassan, 2015-10-01 For too long Egypt s system of government was beholden to the interests of the elite in power aided by the massive apparatus of the security state Breaking point came on 25 January 2011 But several years after popular revolt enthralled a global audience the struggle for democracy and basic freedoms are far from being won *Media Revolution and Politics in Egypt The Story of an Uprising* examines the political and media dynamic in pre and post revolution Egypt and what it could mean for the country s democratic transition We follow events through the period leading up to the 2011 revolution eighteen days of uprising military rule an elected president s year in office and his ouster by the military Activism has expanded freedoms of expression only to see those spaces contract with the resurrection of the police state And with sharpening political divisions the facts have become amorphous as ideological trends cling to their own narratives of truth
