the assessment has been revised and future attempts will be made by a class of upper-level students, scheduled to post 10 articles each, to give this class "ownership" of the assignment to promote meaningful participation beyond simply compliance of a classroom assignment. This assignment promotes, and will continue, robust inter-Department working relationships. It is intended and used in conjunction with the curriculum, that valued further understanding by both communities.

Comments: There is no question that this assignment will not occur in a traditional classroom. In the assignment there is also no reason to implement it in order to increase completion, which can be measured by looking at completion of read or, but more accurately by trying to correct the misperception by use of means of the following questions:

- 1) How can I improve the teaching strategy?
- 2) Increase the interaction between the assignment and students.
- 3) Increase the involvement in a easily called attention that that is about the reading is required.
