

Step 7

Mascara

Always wear mascara because even if you have dark, luscious eyes, thickening mascara gives natural lashes a defined look and a lift. If you have a sparse full set, the mascara will add definition and will prevent fraying when styling and brushing mascara. There's no wrong way to apply mascara. If you want a long-lasting look, it's a good idea if you wear a primer to hold it in place.

When applying mascara, hold the brush over your eye and wiggle it from the base of the lashes to the tips. Wiggle the wand to coat all segments of the lashes and push through. Repeat application to both eyes.

If you choose to curl the lashes, it's not before applying mascara. Curling before will separate mascara and break the lashes.

The ideal mascara makes the most impact. Remove it with a cotton pad.

Step 8

Blush

Always add a natural shade of blush to the apples of cheeks. Blend up toward the hairline, down toward the under-eye area.

For long-lasting results, have a mix of long-lasting and soft.

For an extra glow, first, a shimmer powder on the cheekbones with a fine blusher brush, or use a shimmery blusher applied with your fingers.

Always blot off excess powder blush from your skin. Avoid further application. If it seems to lighten away, use the light blusher shade to restore some color and glow.

The sugar or cream blush is a good option for the skin.

To add a warm cast to skin, use a blusher on areas where the sun normally hits the face—cheeks, forehead, nose, and chin.

Step 9

Lipstick

Start with clean, smooth lips.

Several lipstick shades and about four coats can be applied. Apply from the inner corner of lips toward the outer corners, which require greater application.

Use a smudger or finger to press the lipstick into the skin, creating a second shade. The more lipstick shade will settle into the skin, the longer it will last.

For a dramatic look, choose light to medium lipstick shades on dark-skinned ladies to maximize effect.

Step 10

Lip Liner

To achieve natural-looking definition and to keep color from fading, use lip liner. A lip liner also helps to define the lips and make the color and finish last longer.

Shade your lip liner to give deeper lip color. Use a lip liner with lip color to give applying color.
