Making Predictions

What do you think happened next in *Broken Pieces*? Write the ending of the story based on your prediction.

I think Alex's mom will talk to the dean with his grandparents. His mom will be upset when she sees the broken vase. Then Alex will explain that he let his anger get the best of him and apologized. His mom will forgive him and they will clean up the vase together.

Making Predictions

A prediction is a guess you make using text or picture clues to help you.

1. BEFORE: Look at the title and illustration. What do you think this story will be about? (Character's, setting, problem, solution)

2. DURING: Read the story. What do you think will happen next?

3. AFTER: Read the story. What do you think will happen next?

Broken Pieces

After looking at the broken pieces scattered all over the floor, Alex knew that his anger probably got in his head. Taking the vase to his room, he carefully began putting it back together. It was only when he was the whole vase again.

After looking at the broken pieces scattered all over the floor, Alex knew that his anger probably got in his head. Taking the vase to his room, he carefully began putting it back together. It was only when he was the whole vase again.
