Making Sense Of The Bible Adam Hamilton:

Making Sense of the Bible Adam Hamilton, 2014-03-18 Denominations from evangelical to mainline continue to experience deep divisions over universal social issues. The underlying debate isn't about a particular social issue but instead it is about how we understand the nature of scripture and how we should interpret it. The world's bestselling most read and most loved book is also one of the most confusing. In *Making Sense of the Bible*, Adam Hamilton, one of the country's leading pastors and Christian authors, addresses the hot button issues that plague the church and cultural debate and answers many of the questions frequently asked by Christians and non-Christians alike: Did God really command Moses to put gay people to death? Did Jesus really teach that everyone who is not a Christian will be assigned to hell? Why would Paul command women to keep silent in the church? Were Adam and Eve real people? Is the book of Revelation really about the end times? Who decided which books made it into the scriptures and why? Is the Bible ever wrong? In approachable and inviting language, Hamilton addresses these often misunderstood biblical themes, leading readers to a deeper appreciation of the Bible so that we might hear God speak through it and find its words to be life-changing and life-giving. *Why? - eBook [ePub]* Adam Hamilton, 2010-10-01 When the ground shakes and a poor nation's economy is destroyed, when the waters rise washing away a community's hopes and dreams, when a child suffers neglect and abuse, when violence tears apart nations, where is God? If God is all-powerful and if each one of us is a beloved child of God, then how can God allow tragedy and suffering to infest his creation? When we lift our prayers to God and no answer seems to come, when we earnestly seek to know the will of God for our lives yet can't seem to discern it, when God seems far away, where is God? If God counts the hairs on our head and knows every sparrow that falls, why is finding and understanding God's will so difficult at times? In *Why Making Sense of God's Will*, best-selling author Adam Hamilton brings fresh insight to the age-old question of how to understand the will of God. Rejecting simplistic answers and unexamined assumptions, Hamilton addresses how we can comprehend God's plan for the world and ourselves. When it comes to the weightiest problems for our faith, like suffering and unanswered prayers, and God's will, philosophers don't get the job done for me. But thoughtful pastors do. For me, the one thoughtful pastor who offers wisdom for our deepest questions is Adam Hamilton. This book is a rare gift and the kind of book that needs to be close at hand for all Christians. This book proves theology has to be done by pastors. Scot McKnight, author of *A Community Called Atonement*. As someone for whom the Christian answers I grew up with failed to satisfy the troubling questions of my adulthood, I deeply appreciate Adam Hamilton's thoughtful book. Why I recommend this book to anyone who longs to leave behind simplistic answers and discover a God who invites them into a collaborative process of bringing redemption, love, and hope to a world in desperate need. Lynne Hybels, author of *Nice Girls Don't Change the World*. Unlike many Christian writers these days, Adam Hamilton does actually make sense of God's will. This is a profoundly satisfying treatment of common misconceptions about God. Everyone who asks "Why" when confronted with evil, innocent suffering, unanswered prayers, and failure to perceive God's

will should read this book Roger Olson author of Questions to All Your Answers *Why? Confronting the Controversies Rev. Adam Hamilton, Sally D. Sharpe, 2001-05-01 Christians are faced every day with daunting choices between difficult alternatives What does my Christian faith have to say about the moral issues that divide our society There are plenty of people on opposite sides of the spectrum claiming to know the will of God in these matters It is nonetheless very difficult to find help in looking at both sides of these ethical questions and applying the biblical witness to arrive at an authentically Christian belief about them This is precisely what Adam Hamilton proposes to do Presented as a collection of sermons *Confronting the Controversies* includes euthanasia assisted suicide creationism abortion and homosexuality Scrupulously fair to both the positions of each side and their motivations for holding them Hamilton offers clear concise information on what is at stake in these explosive issues Hamilton applies a careful broad reading of Scripture to offer direct yet compassionate guidance on what a faithful Christian response will be This book is set up for group study with discussion questions at the end of each chapter *Enough* Adam Hamilton, 2012 Money has great power in our lives Used wisely it is one key to accomplishing our goals providing for our needs and fulfilling our life purpose In recent years many of us ignored the wisdom of the past when it came to managing and spending our money Credit card debt soared savings rates plummeted and our home equity became something to be tapped into and spent rather than a source of security in retirement We felt an insatiable desire for more And we found ourselves spending tomorrow's money today in order to

have what we hoped would satisfy The result of all of this was not greater happiness and satisfaction but greater stress and anxiety Enough is an invitation to rediscover the Bible s wisdom when it comes to prudent financial practices In these pages are found the keys to experiencing contentment overcoming fear and discovering joy through simplicity and generosity This book could change your life by changing your relationship with money We Americans love our stuff We re living in a fast paced me first instant gratification world and it s finally catching up to us Debt is out of control homes are in foreclosure even banks are going out of business What the world needs today is the message of contentment and simplicity and that s exactly what Pastor Adam Hamilton delivers in Enough Dave Ramsey New York Times Best Selling Author and Nationally Syndicated Radio Talk Show Host Once again Adam Hamilton is leading the church Enough is enough was once a Wesleyan watchword Adam breathes new life into the Wesleyan commitment to simplicity Amid a culture of greed and conspicuous consumption Adam calls us to a biblically based evangelical joy of having the faith to say enough is enough Bishop Will Willimon United Methodist Church Birmingham Area I pay close attention to whatever Adam Hamilton writes His books are marked by extraordinary pastoral insight biblical and theological depth courage to speak the truth and down to earth practicality Enough comes like an antidote in the middle of a pandemic I hope that classes groups couples and individuals will use this book and the economic crisis it addresses as a challenge to get healthy again by deepening our discipleship in the vital area of money and possessions Brian McLaren Author Networker brianmclaren.net Forgiveness Adam Hamilton, 2012 If your enemies are starving feed them some bread if they are thirsty give them water to drink Proverbs 24 17 CEB There is nothing more crippling than holding on to anger Anger more than any other emotion has the power to consume all aspects of our lives distort our sense of purpose and destroy our relationship with God In the passionate and life changing book Forgiveness Finding Peace Though Letting Go bestselling author Adam Hamilton brings the same insight that he applied in the bestseller Why to the challenge of forgiveness Hamilton argues that revelation comes when we realize that forgiveness is a gift we give ourselves rather than to someone else He also contends that only when we learn to forgive others and ourselves can we truly receive forgiveness from God Adam Hamilton not only reminds us about the importance of reconnecting the broken pieces of our lives but shows how the process of grace and forgiveness is possibly our most complete picture of God Shane Stanford author of Making Life Matter Embracing the Joy in the Everyday The heartbeat of the gospel is grace With practical insight Hamilton makes grace understandable both for seeking and for granting forgiveness I highly recommend this book Melody Carlson author of Healing Waters A Bible Study on Forgiveness Grace and Second Chances Adam Hamilton s book offers clear guidance for believers struggling with the practical application of our biblical imperative to forgive It is a must read for both Christian counselors and every person who has something or someone to forgive Jennifer Cisney Ellers author of The First 48 Hours Spiritual Caregivers as First Responders Deeply rooted in the Bible s testimony about God s extravagant mercy this fine little book explores the Christian call to practice both repentance
