## MALLORY'S ORACLE

"Set, Kathleen Mallory is one of the most original and intriguing detectives you'll ever meet. In fact, *Mallory's Oracle* is stocked with characters who are richly unforgettable, even by New York standards. This novel is wild, sly and breathless—all the things that a good thriller ought to be."

—Carl Hiaasen

Every once in a rare while, a suspense writer appears whose work is so strikingly original it transcends the genre. Such is the case with Carol O'Connell and *Mallory's Oracle*, a book that has already created worldwide excitement.

At the center of the story is Kathleen Mallory, an extraordinary wild child turned New York City policewoman. Adopted off the streets as a little girl and still not altogether civilized now that she is grown, Mallory operates by her own inner compass of right and wrong. She is a thing apart. And when her adoptive father is murdered, she is a thing possessed.

Filled with deep, seductive atmosphere and prose that cuts like a knife, *Mallory's Oracle* is gripping, momentous suspense of tantalizing complexity—a truly stunning debut.

Carol O'Connell lives in New York City.
