THE FAILURE OF
HEALTH CARE IN
URBAN AMERICA

LAURIE KATY ABRAHAM

Mama Might Be Better Off Dead

WJ Hussar

Mama Might Be Better Off Dead:

Mama Might Be Better Off Dead Laurie Abraham, 1994-11-15 Details the modern state of health care in urban America spotlighting challenges that face low income families in this part of the nation Explains how the health care system has reached this point and considers how change can be wrought

Mama Might Be Better Off Dead Laurie Kaye Abraham, 2012-03-28 *Mama Might Be Better Off Dead* is an unsettling profound look at the human face of health care Both disturbing and illuminating it immerses readers in the lives of four generations of a poor African American family beset with the devastating illnesses that are all too common in America's inner cities The story takes place in North Lawndale a neighborhood that lies in the shadows of Chicago's Loop Although surrounded by some of the city's finest medical facilities North Lawndale is one of the sickest most medically underserved communities in the country Headed by Jackie Banes who oversees the care of a diabetic grandmother a husband on kidney dialysis an ailing father and three children the Banes family contends with countless medical crises From visits to emergency rooms and dialysis units to trials with home care to struggles for Medicaid eligibility Abraham chronicles their access or lack of access to medical care Told sympathetically but without sentimentality their story reveals an inadequate health care system that is further undermined by the direct and indirect effects of poverty When people are poor they become sick easily When people are sick their families quickly become poorer Embedded in the family narrative is a lucid analysis of the gaps inconsistencies and inequalities the poor face when they seek health care This book reveals what health care policies crafted in Washington D C or state capitals look like when they hit the street It shows how Medicaid and Medicare work and don't work the Catch 22s of hospital financing in the inner city the racial politics of organ transplants the failure of childhood immunization programs the vexed issues of individual responsibility and institutional paternalism One observer puts it this way Show me the poor woman who finds a way to get everything she's entitled to in the system and I'll show you a woman who could run General Motors Abraham deftly weaves these themes together to make a persuasive case for health care reform while unflinchingly presenting the complexities that will make true reform as difficult as it is necessary *Mama Might Be Better Off Dead* is a book with the power to change the way health care is understood in America For those seeking to learn what our current system of health care promises and what it delivers it offers a place for the debate to begin

Place Matters Peter Dreier, John H. Mollenkopf, Todd Swanstrom, 2004 Analyzes the problematic trends facing America's cities and older suburbs and challenges us to put America's urban crisis back on the national agenda

The Utne Reader, 1993 **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 1995 **DePaul Journal of Health Care Law**, 2002 Mother Jones, 2004 **Differential Access to Health Insurance** Julie Ann Stein, 2006 *The Journal of Health Care Law & Policy*, 2004 **Elle**, 2003-07 AB Bookman's Weekly, 1994 **The Publishers Weekly**, 1994 **Women and Health** Kathryn Strother Ratcliff, 2002 A critical and interdisciplinary examination of women and health which challenges traditional

viewpoints and highlights the importance of ethnicity class sexual orientation and ablebodiedness as well as gender Addresses issues of social justice ethics and public policy For anyone interested in women s health *Network News* ,1994

Community Health Nursing Judith Ann Allender,Barbara Walton Spradley,2001 This edition of Community Health Nursing Concepts and Practice continues to be written with you the undergraduate nursing student in mind It is user friendly with many mini case studies woven throughout the text in order for you to more easily apply the information with your clients The text is comprehensive and incorporates the impact of the global health status We are a small planet with big health problems that impact each person s health and the role of the community health nurse now and in the future As a nation we have a new and continuing health agenda through Healthy People 2010 that gives direction to our work These new goals and objectives are incorporated throughout the text Finally the text format is designed to provide you with the comprehensive globally sensitive information and skills you need to be and effective practitioner with aggregates groups and individuals in the community **Mirabella** ,1996 *Talking Book Topics* ,1995 **Race, Sex, & Class** ,1994 New Titles in Bioethics ,1994 *The Sociology of Health, Illness, and Health Care* Rose Weitz,2001 Traditionally medical sociology texts have been written from a medical perspective focusing primarily on health issues as they have been defined by doctors and often reading much like health education textbooks Weitz instead adopts a critical perspective sometimes challenging medical perspectives sometimes raising broader issues beyond those of interest to the medical world This perspective which is more thoroughly sociological is now more common among instructors than the older medical perspective
