 employed across the entire range of military operations Those operations include war characterized by large scale sustained
 combat operations and other military operations that focus on deterring aggression resolving conflict promoting peace and
 supporting civil authorities These operations can occur before during and after combat operations Marines always need to be
 prepared to carry out their mission and adapt to changing levels of threat and unexpected situations Whenever the situation
 warrants the application of deadly force the Marine rifleman must be able to deliver well aimed shots to eliminate the
 adversary Marines must have the versatility flexibility and skills to deal with a situation at any level of intensity across the
 entire range of military operations Combat ready Marines must be skilled in tactics and proficient in the use of firearms Well
 trained Marines will have the confidence required to deliver accurate fire under the most adverse battle conditions The
 Service rifle is the primary tool that an individual Marine uses to obtain dominance over the enemy and neutralize the effects
 of enemy weapons The Marine Corps Combat Rifle Program progresses the individual Marine from the fundamentals of
 marksmanship to advanced combat shooting ensuring the ability to masterfully employ the Service rifle under all conditions
