**Puja Mehta**

## **Middle East Research Mer Report Fall:**

*Children of the Stone* Sandy Tolan, 2015-04-07 A moving account of the dispossessed children of Palestine and the transformative power that music has had in giving them meaning and reason for hope Reza Aslan Moving Tolan is a scrupulous craftsman Los Angeles Times It is an unlikely story Ramzi Hussein Aburedwan a child from a Palestinian refugee camp confronts an occupying army gets an education masters an instrument dreams of something much bigger than himself and then through his charisma and persistence inspires others to work with him to make that dream real The dream a school to transform the lives of thousands of children as Ramzi's life was transformed through music Musicians from all over the world came to help A violist left the London Symphony Orchestra in part to work with Ramzi at his new school Daniel Barenboim the eminent Israeli conductor invited Ramzi to join his West Eastern Divan Orchestra which he founded with the late Palestinian intellectual Edward Said Since then the two have played together frequently *Children of the Stone* chronicles Ramzi's journey from stone thrower to music student to school founder and shows how through his love of music he created something lasting and beautiful in a land torn by violence and war This is a story about the power of music but also about freedom and conflict determination and vision It's a vivid portrait of life amid checkpoints and military occupation a growing movement of nonviolent resistance the prospects of musical collaboration across the Israeli Palestinian divide and the potential of music to help children everywhere see new possibilities for their lives

**Migrant Workers in the Gulf** Roger Owen, Nicholas Van Hear, 1992-04-01 The oil price explosion of the early 1970s triggered off a massive wave of labour migration into the oil rich states of the Gulf The migrants came from the poorer Arab countries from Asia and Africa attracted by wage levels considerably higher than they could earn in their homelands Some came on short term contracts others stayed many years By the end of the 1980s there were thought to be over six million migrant workers in the region *Migrant Workers in the Gulf* for the first time provides a concise overview of the situation of these new migrant workers Written by Dr Roger Owen it gives a valuable insight into the problems and the pressures they face The report also contains an MRG Update by Dr Nicholas Van Hear outlining the mass population movements in the early 1990s About two million foreign residents left Iraq and Kuwait in the aftermath of the Iraqi invasion of Kuwait 800 000 Yemenis were pressured to leave Saudi Arabia while in 1991 persecution of Kuwait's long established Palestinian community by the newly restored rulers led to their mass exodus The report poses vital questions Can the rights of migrant workers be protected Can mass population movements be prevented in the future What should be the role of the UN and the international community This unique report should be of immense value to all those interested in the social and economic history of the Middle East and Asia and to policy makers concerned with migration labour and mass movements of people worldwide Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50

years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

*MERIP Middle East Report* ,1986      **A Revolution Undone** H.A. Hellyer,2017-03-01 Amid the turbulence of the 2011 Arab uprisings the revolutionary uprising that played out in Cairo s Tahrir Square created high expectations before dashing the hopes of its participants The upheaval led to a sequence of events in Egypt that scarcely anyone could have predicted and precious few have understood five years on the status of Egypt s unfinished revolution remains shrouded in confusion Power shifted hands rapidly first from protesters to the army leadership then to the politicians of the Muslim Brotherhood and then back to the army The politics of the street has given way to the politics of Islamist military d tentes and the undoing of the democratic experiment Meanwhile a burgeoning Islamist insurgency occupies the army in Sinai and compounds the nation s sense of uncertainty A Revolution Undone blends analysis and narrative charting Egypt s journey from Tahrir to Sisi from the perspective of an author and analyst who lived it all H A Hellyer brings his first hand experience to bear in his assessment of Egypt s experiment with protest and democracy And by scrutinizing Egyptian society and public opinion Islamism and Islam the military and government as well as the West s reaction to events Hellyer provides a much needed appraisal of Egypt s future prospects

**Research Report** American University of Beirut,1997      *Palestine and the Palestinians* Samih K. Farsoun,2018-05-04 Palestine and the Palestinians is a sweeping social economic ideological and political history of the Palestinian people from antiquity to the Road Map to Peace This second edition is thoroughly revised and updated including entirely new chapters on the most current issues confronting Palestine today including Palestinians in Israel the Oslo Accords and the Second Intifada Palestinian refugees and the right to return Jerusalem the diplomatic peace process and two state single state solutions
