Stefanie Schult

Midnight Tides Malazan Book Of Fallen:

Midnight Tides Steven Erikson, 2007-04-17 The five tribes of the Tiste Edur have finally been united under the implacable rule of the Warlock King of Hiroth but their peace has made at the cost of a pact made with a hidden power and ancient forces are awakening that may destroy them all

Midnight Tides Steven Erikson, 2009-05-27 After decades of warfare the tribes of the Tiste Edur have at last united under the rule of the Warlock King But peace has been exacted at a terrible price a pact made with a hidden power whose motives are at best suspect at worst deadly To the south the expansionist kingdom of Lether has devoured all of its less civilised neighbours with rapacious hunger All save one the Tiste Edur But Lether is approaching a long prophesied renaissance that it will take it from a kingdom and lost colony to an empire reborn and has fixed its gaze on the rich lands of the Tiste Edur It would seem inevitable that the tribes will surrender succumbing to the suffocating weight of gold or to slaughter at the edge of a sword Or so Destiny has decreed A pivotal treaty between the two sides nears but unknown ancient forces are awakening For the impending struggle between these two peoples is but a pale reflection of an altogether more profound primal battle a confrontation driven by a still raw betrayal and a craving for vengeance War and confrontation magic and myth collide in this the stunning fifth chapter in Steven Erikson s magnificent *The Malazan Book of the Fallen* a series hailed as an epic of the imagination and a classic work of high fantasy

Midnight Tides Steven Erikson, 2007-08-28 After decades of internecine warfare the tribes of the Tiste Edur have at last united under the Warlock King of the Hiroth There is peace but it has been exacted at a terrible price a pact made with a hidden power whose motives are at best suspect at worst deadly To the south the expansionist kingdom of Lether eager to fulfill its long prophesized renaissance as an Empire reborn has enslaved all its less civilized neighbors with rapacious hunger All that is save one the Tiste Edur And it must be only a matter of time before they too fall either beneath the suffocating weight of gold or by slaughter at the edge of a sword Or so destiny has decreed Yet as the two sides gather for a pivotal treaty neither truly wants ancient forces are awakening For the impending struggle between these two peoples is but a pale reflection of a far more profound primal battle a confrontation with the still raw wound of an old betrayal and the craving for revenge at its seething heart At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Subcreation: Fictional-World Construction from J.R.R. Tolkien to Terry Pratchett and Tad Williams Stefanie Schult,2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media
