hold your breath always wondering what next Christmas can be the darkest and most dangerous time of all Things can t get
much worse for Neil He s already losing the fight with drinking and depression and has also lost the argument for where he
and his wife Sacha are going to spend Christmas this year Due to illness it s going to be Sacha s father s last Christmas and
her mother wants the family all together This includes Neil s two brothers in law and there s no love lost between any of
them or between Sacha and one of her two sisters Three days in a confined space and an excess of alcohol intensifies several
long held resentments within the family Being in one another s company is intolerable and it s apparent that Sacha s father
might not be the only family member celebrating his final Christmas With book club questions at the back of the book Find

This book had me reading and reading and reading I got the ending so so wrong I would ve never have guessed for it to turn
