*Lawfully Yours* Anurag K. Agarwal, 2021-03-28 Have you ever wondered why the government is very often rebuked by the courts What can be the influencing power of big businesses on the government of the day How do the courts impact the businesses by their judgments What can a small change in government policy do to the entire business environment of the country Why contract enforcement still remains a sore point in India How does the bureaucracy play a vital link between the political masters and businesspersons What harm can a whimsical judge do to the legal environment and how can it dampen the morale of the people *Lawfully Yours* focuses on the interplay between business government and law It is from the perspective of an observer interested primarily in doing business legally and ethically as profit making ought to be incidental and not the sole goal of doing business It reveals how and why the external forces of the government and the law impact a businessperson's decision making The subjects discussed include business judiciary legal system politics world trade and infrastructure Devoid of technical jargon it uses simple language to drive home important and interesting concepts and points for the reader

Dalkey, When a 10 year old R A Dalkey decided he was going to become an Outback truck driver the poor Australia besotted boy had no idea what he was getting into He'd been born on the wrong continent for a start And even if he could make it out of Africa one day where was an Australian work visa to come from Or for that matter a licence to drive 53 metre trucks on red desert roads A sensible adult would have filed that dream away as a juvenile fantasy and gotten on with life Especially after taking five attempts to get the most basic of car licences But R A Dalkey never claimed to be a sensible adult did he Join the author as he pursues the ultimate whimsical travel quest From that careless moment of childhood inspiration this true account will take you to small town South Africa the ugly side of Cape Town the claustrophobic sprawl of Greater London and New Zealand's sleepy Waikato And then on to the Holy Grail Australia Dalkey digs deep into this puzzling generous nation as he travels to every one of the mainland states He explores Australia's quirky history and its modern cities from seductive Sydney to bad ass Brisbane He rides trains across the Nullarbor Plain and watches cricket everywhere But all this is merely the backdrop to his dogged pursuit of that decades old mission driving heavy loads to tiny rural specks deep in the Outback
