

ISRAEL'S LAST CHANCE

Shimon Sheves

October 7 changed Israel forever. The brutal assault and the subsequent war that Israel has fought in Gaza and against the Axis of Evil shattered any illusion of stability. The war may have ended, but the political rot, social fragmentation, and moral crisis that led us here are still with us. What was once a cohesive and successful state has become a fragile collection of tribes, each turning against the other while the foundations of our democracy weaken.

This book was written in the shadow of the war and its aftermath, born out of countless conversations, interviews, and hard-earned insights. It comes from a place of pain, clarity, and responsibility - standing at the brink of the abyss. It asks uncomfortable questions: Who took our country? How did it happen? And how can we take it back?

I wish this book were unnecessary. I wish we could wake up and save Israel before it was too late. But since wishing is not enough, let these words serve as what they are meant to be: a call to act - with urgency, with courage, and without illusions.

Last Chance To Fight English Edition
