Book of Mormon : Student Manual ,2013 A textbook used in the institute program of the Church of Jesus Christ of Latter day Saints provides theological commentary on the text of the Book of Mormon **Book of Mormon Student Manual** The Church of Jesus Christ of Latter-day Saints,2009-07 **Standing Apart** Miranda Wilcox,John D. Young,2014-04-15 Winner of the Best Anthology Award from John Whitmer Historical Association Latter day Saints have a paradoxical relationship to the past even as they invest their own history with sacred meaning celebrating the restoration of ancient truths and the fulfillment of biblical prophecies they repudiate the eighteen centuries of Christianity that preceded the founding of their church as apostate distortions of the truth Since the early days of Mormonism Latter day Saints have used the paradigm of apostasy and restoration in their narratives about the origin of their church This has generated a powerful and enduring binary of categorization that has profoundly impacted Mormon self perception and relations with others Standing Apart explores how the idea of apostasy has functioned as a category to mark define and set apart the other in Mormon historical consciousness and in the construction of Mormon narrative identity The volume s fifteen contributors trace the development of LDS narratives of apostasy within the context of both Mormon history and American Protestant historiography They suggest ways in which these narratives might be reformulated to engage with the past as well as offering new models for interfaith relations This volume provides a novel approach for understanding and resolving some of the challenges faced by the LDS church in the twenty first century Book of Mormon Student Manual ,1996 **Not by Bare Assertions but by Evidences and Reason** Brad Garn,2012-05-18 Why I Left the Church I was a lifelong active believing member of the The Church of Jesus Christ of Latter day Saints However in the spring of 2010 when I was 46 years old I left the Church In this book I explain why I decided to leave I know it is difficult for some members of the Church to understand why anyone would leave I also know there are many misconceptions about why people leave I hope this book will help my family my friends and members of the Church understand me and others like me The beginning of this book does not contain any of the evidences against the Church I m asking everyone to read at least the first 12 pages I understand the topics discussed in this book are sensitive to many people I greatly appreciate and respect those who are willing to read this book in its entirety Cult Shock Mark Stengler,2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah s Witnesses and Mormons when they come knocking Cult Shock is an easy to follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah s Witness and Mormon missionaries Mark Stengler Jr and Mark Stengler Sr a father and son team of Christian scholars explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview Readers will gain confidence witnessing to these groups based on the Stengler s recommended engagement techniques from their years of experience Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence

Dialogue ,1997 A journal of Mormon thought *Canandaigua to Carthage* ,2007-02-26 Canandaigua to Carthage tells in engaging story form events from the life of the Prophet Joseph Smith Based on carefully researched historical accounts Canandaigua to Carthage invites readers both young and old to become better acquainted with the Smith family who loved and helped each other through all their experiences as they moved from New Hampshire to New York Ohio Missouri and finally to Illinois **Mormons on the Internet, 2000-2001** LauraMaery Gold,2000 For the worldwide community of Latter day Saints the Internet offers a wealth of resources and opportunities as well as an effective way for members to join together in fellowship This newly revised and updated Internet guide for members of the Church of Jesus Christ of Latter day Saints will direct you to New information about the FamilySearch Web site News of the Church Scripture study tools Missionary opportunities and updates BYU and other church education resources Inspirational stories and testimonies Church history leadership and doctrine Scouting sports singles groups and youth activities And much more With the Internet we may be able to give facts and tell our story better than we could at any time in history I m sure the Internet will be a blessing and there will be a certain kind of missionary effort going forth that way Elder Jeffrey R Holland from the exclusive interview in Mormons on the Internet Finally a computer book I not only understand but find exciting LauraMaery Gold gives us an explosion of righteous ways to use technology to bless ourselves and others Joni Hilton author of As the Ward Turns and other LDS bestsellers A timely and useful guide for LDS Internet users and a convenient phone book of like minded friends Christina Nibley Mincek LDS Director of Public Affairs for North Florida South Georgia I heartily recommend this as must reading for anyone interested in religion and or the Internet Arthur Wilde LDS Section Leader the CompuServe Religion Forum About the Author LauraMaery Gold is a computer and business editor and the author of several books on computing She is also a committed Latter day Saint a longtime gospel doctrine teacher and a student of Church history She operates several Church related Web sites Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp,2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where

theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book
