Beauty: Exploring Critical Perspectives Pierre Wilhelm, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2016 Rather than accept society s preferred metaphors about beauty at face value the authors in this volume question the fact that beauty can also surprise us in the least foreseeable setting at the most unexpected moment and in the most surprising or unsettling ways Their work underscores beauty s ephemeral transitory fleeting and at times confounding nature The way beauty reveals itself to us they point out may challenge or even contradict established conventions norms and values about aesthetics The emergence of unconventional metaphors and analogies about beauty in these chapters calls on us to pay attention to competing and seemingly intractable connotations of fear darkness ugliness oppression repression callousness and dejection that won t leave us indifferent to their appeal How we as researchers envisage beauty as a topic of investigation tells us as much about our conceptualization of beauty arising from particular scientific perceptions as about the language and symbols that express this perception It raises the important question about why we rely on conceptual constructs to explain beauty and whether beauty remains a mystery to be explored or ultimately one best left unexplained

this year Whether it s used at church or during family home evening Tiny Talks is the perfect resource to help children parents and leaders discuss the precious truths of the gospel all year long [The Journal of Arizona History](#) ,2014 **The Western Humanities Review** ,2014 [2013 Primary Theme](#) Glorianne Muggli,2012-10-01 [I Am a Child of God](#) Deseret Book Company,2005-11 No piano No problem Just touch the pad and sing along Now you can teach your little Latter day Saints six of the most beloved Primary songs found in the Children s Songbook from The Church of Jesus Christ of Latter day Saints This convenient sized board book features six full color illustrations Each illustration includes the first verse to a favorite Primary song A child or parent simply presses the touch pad that corresponds to that page and the music begins to play *An Analysis of Hegemony in LDS Discourse on Motherhood* Erin Sorensen,2015 Like many Mormon women in America I was told from the time I was a young girl I would get married have children be a perfect homemaker and live happily ever after At least that was the story presented to me at church and at home From the time Mormon children are in Primary the Church of Jesus Christ of Latter day Saints or LDS church children0 9s organization for children ages 18 months to 11 years old they are taught the importance of family and the different roles of mothers and fathers through songs and lessons In Young Women0 9s the LDS church0 9s youth organization for young women ages 12 18 teenage girls are taught how to build themselves spiritually but everything from the young women theme weekly activities and Sunday lessons reinforce the importance of their future role as a wife and mother These teachings are then solidified in Relief Society the LDS church0 9s women0 9s organization as women are taught about their nurturing role in the family and participate in activities that teach homemaking skills and childcare Throughout their lives Mormon women are taught that 0 by divine design0 Mothers are primarily responsible for the nurture of their children0 and are consistently prepared for their role as wives and mothers 0 The Family A Proclamation to the World0 1995 1 In Mormonism motherhood is directly connected to womanhood and is a divine role with lasting influence and importance According to Mormon scripture and doctrine the first woman Eve also referred to as the mother of all living ate the forbidden fruit not because she gave into temptation from Satan but because she knew that she could not obey God0 9s commandment to multiply and replenish the earth while living in the Garden of Eden Campbell 2003 Mormons believe that Eve consciously chose to eat the fruit in order to take on the title of mother and all women are blessed with the gift to nurture children and follow Eve0 9s example This doctrine about the importance of families and motherhood provides a framework in Mormonism that places 0 motherhood0 near to divinity0 Clark 1965 178 Motherhood is compared to godliness in might importance and power and Mormon mothers are seen as being in partnership with God Holland 2014 Current LDS prophet Thomas S Monson emphasized this point 0 One cannot remember mother and forget God Why Because these two sacred persons God and mother partners in creation in love in sacrifice in service are as one0 Monson 1998 As a result motherhood is at the center of any discussion about women in Mormonism and is revered as 0 the highest holiest service to be assumed by mankind0 Clark 1965 178 The emphasis placed

on motherhood isn't surprising considering the strong focus on families in the LDS church. The Family A Proclamation to the World (1995) an official proclamation of the LDS prophet and apostles states that the family is central to the Creator's plan for the eternal destiny of His children. However the acceptable type of family within the LDS church follows traditional American gender roles meaning that mothers stay at home to care for children and fathers provide for the family. This tradition follows a white heterosexual married middle class and American ideal and has been criticized as a hegemonic view of family life that excludes the lived experiences of anyone outside those confines (Kawash 2011). A hegemonic view refers to the dominant perspective or representation in a given social or political context that benefits the rulers or the elite and the problem with hegemonic views is that they relate the predominant view as the ideal or only acceptable way of being (Clayton 2006, Beasley 2008). So although motherhood is experienced in many different ways the acceptable hegemonic type of motherhood in Mormonism is for women to be homemakers any other alternative is seen as less than desirable and acceptable only if necessary.
