*Beyond Jacob's Ladder* Lois K. Carscallen, 2013-08 As Jacob lay sleeping with his head on a rock pillow he dreamed of a ladder reaching to heaven with angels ascending and descending The dream provided Jacob with a glimpse of the redeeming work of Jesus and His desire to connect heaven and earth and save us from our sins *Beyond Jacob s Ladder The Simplicity of Salvation* by Lois Carscallen will help you realize just how simple salvation can be by examining different ladders throughout the Bible that help us as Christians to connect with heaven on our spiritual journey Jacob s ladder will teach you to trust God s promises and start a relationship with Him Peter s ladder highlights the gifts from God God s ladder emphasizes the importance of the Ten Commandments Jesus ladder discusses the hardships God s people may endure Paul s ladder talks about embodying the fruit of the Spirit God s Creation ladder examines the beginning of humanity John and Moses ladder provide understanding about the sanctuary message Interwoven are key quotes from Ellen White that illuminate Carscallen s points and provide a deeper understanding of what each step on the ladder means Just as God spoke to Jacob in a dream He speaks to us by words written in the Bible Using the Bible as *Beyond Jacob s Ladder* s backbone Carscallen will help you find security and comfort when holding on to the true Ladder that connects us to heaven Christ Endorsement As I read *Beyond Jacob s Ladder* I was impressed by Lois unique ability to weave her personal life experiences with meaningful quotations and precious Bible texts into a faith affirming tapestry so easy to understand Sue Patzer Women s Ministries Director and Early Childhood Education and Care Coordinator North Pacific Union Conference of Seventh day Adventists     **Jacob's Ladder** Dennis R. Powers, 1999     **On Jacob's Ladder** Francis Raworth, 1762     **Jacob's Ladder** Archbishop Dr. Costakis Evangelou, 2014-09-25 In this stimulating read the author provides a deep Biblical revelation for the believer to take a step by step guide for spiritual growth and maturity By presenting the width length depth and height of the Word of God he outlines spiritual principles that when embraced will help the believer grow in the light of God s Word By using Jacob s twelve sons each representing a rung on Jacob s ladder the author perpetuates the significance and etymology of their names as a base to cultivate spiritual growth and development Furthermore by developing upon a theological rendition of each name the book provides a powerful call for the Christian to realise the importance of their dedication to Christ the blessings of obedience the role of praise and worship and much more Jacob s ladder encourages people to foster a closer walk with the true and living God     *Jacob's Ladder, the ascent to Heaven plainly pointed out. In eighteen practical addresses, etc* George OLIVER (D.D., Rector of South Hykeham.), 1845     **Finding Jacob's Ladder : Book I in the Jacob's Ladder Series** Mark James Foster, 2021-04-09 Finding Jacob s Ladder Book I in Ascending Jacob s Ladder In many ways this book is a duplicate of the book that I have written called Ask Knock Seek and Find Besides the events that I have shown that were dreamt that transpired which had taken place since its original manuscript was written I have also integrated the dream definitions directly into this book which is named Finding Jacob s Ladder Out of the three Books in this series of which are being

published simultaneously this book sets the stage for the following parables Dreams have been given to man to instruct them or even forewarn them of events to come I have also found that they are fantastic parables allowing one willing to pay heed and understanding the Spirit of Christ and that of the Holy Ghost Giving meaning to the supernal comprehension that the spirit dictates as the parable means to them in their lives Dreams and visions can show each person their possible future The varied meanings of each of the interpreted dreams If they haven't already taken place or when they do take place in the future Dreams and visions are revelation given to man by our Heavenly Father Ensuring they are correctly translated We know the time of the Lord is at hand and those that assume that they will have many more years to repent are only not seeing the signs in the heavens but are not reading their scriptures Sadly they will be mistaken when these devastations occur which are only a description of a couple of these devastating destructions that will take place on earth as it rolls to and fro It will be from these devastations that occur to the saints and all those who live within that region that will initiate the remainder of the world events prophesied to occur Pay great heed to the words of Isaiah for Nephi himself told us that Isaiah's writings were meant for our day That through dreams God will still give warnings and guidance As long as we seek out the Holy Ghost for the correct Interpretation of those dreams and or visions we are humbly requesting of our Heavenly Father for our families and ourselves knowing that these revelations were meant for you and your own family personally Understanding that your dreams or visions will never go against the counsel of our prophet or apostles There is no need for me to say much more for within these three Books this being the first You will have a far greater understanding of myself as the writer or merely the pen Then what a few more lines about myself could illustrate Above all the Love I have for our Heavenly Father the Lord our Savior Jesus Christ and the Holy Ghost is paramount

Jacob In the biblical legend Ja      *The Final Ascension of Jacob's Ladder* Mark Foster,2021-03-30 The Final Ascension of Jacob s Ladder Book III in Ascending Jacob s Ladder Series The Final Ascension of Jacob s Ladder is the last book of this series It encompasses the last and final section of dream interpretations given It brings out how vital and essential it is to pay attention to the symbols of our dreamscapes Dreams and visions are several ways we receive answers to our questions that we place before the Savior in faith knowing that as we ask and seek he will show us the answer to the questions we have regarding the gospel of Jesus Christ and life s problems and solutions Through these final dreams and visions we can see that we are upwardly taught By being initiated with simple symbols of dreams into a complex system that aids us in understanding the Lord s mind You will find as you read these last and final parables containing the many metaphors and anecdotes that will cause your mind to ponder on the final climactic visionary ending These parables are meant for us to understand the complexities buried deep within the tropes presented before us Never doubt the wisdom and knowledge of the Lord for He will allow you to grow in degrees You should be aware that we mortals can only learn line upon line precept upon precept which means that when we read one sentence the meaning immediately becomes clear to us We are then given another sentence and the cycle goes on As we follow this process that single paragraph becomes clearer to us This process then allows us to understand paragraph after paragraph we can then move upward and onward until we understand the entire book During these times we learn the same way as our Savior which is grace upon grace However remember that for us mortals learning a single grace can take an entire lifetime to discover Never be discouraged by someone who learns faster This does not mean that they have been given more talents than you it means that each of our abilities are different and each of those capabilities are intended to be discovered on our own Enjoy each of the parables for the there is great truth within them And remember that the last one is unforgettable in nature and wisdom Everyone on earth has a full and attended purpose pay heed to the spirit of prayer and fasting and you will discover yours      *Symbolism of Jacob's Ladder* ,1990\*

Rife with incest adultery rape and murder the biblical story of Jacob and his children must have troubled ancient readers By any standard this was a family with problems Jacob s oldest son Reuben is said to have slept with his father s concubine Bilhah The next two sons Simeon and Levi tricked the men of a nearby city into undergoing circumcision and then murdered all of them as revenge for the rape of their sister Judah the fourth son had sexual relations with his own daughter in law Meanwhile jealous of their younger sibling Joseph the brothers conspired to kill him they later relented and merely sold him into slavery These stories presented a particular challenge for ancient biblical interpreters After all Jacob s sons were the founders of the nation of Israel and ought to have been models of virtue In *The Ladder of Jacob* renowned biblical scholar James Kugel retraces the steps of ancient biblical interpreters as they struggled with such problems Kugel reveals how they often fixed on a little detail in the Bible s wording to deduce something not openly stated in the narrative They concluded that Simeon and Levi were justified in killing all the men in a town to avenge the rape of their sister and that Judah who slept with his daughter in law was the unfortunate victim of alcoholism These are among the earliest examples of ancient biblical interpretation midrash They are found in retellings of biblical stories that appeared in the closing centuries BCE in the Book of Jubilees the Aramaic Levi Document the Testaments of the Twelve Patriarchs and other noncanonical works Through careful analysis of these retellings Kugel is able to reconstruct how ancient interpreters worked *The Ladder of Jacob* is an artful compelling account of the very beginnings of biblical interpretation      *Jacob's Ladder* ,
