1 **The Billboard**, 1926 *The Struggle for Student Rights* John W. Johnson, 1997 Benjamin F Shambaugh Award Honorable Mention The tension between free speech and social stability has been a central concern throughout American history In the 1960s that concern reached a fever pitch with the anti Vietnam War movement When anti war sentiment invaded American schools official resolve to retain order in the classroom vied with the rights of students to speak freely A key event in that face off was the Supreme Court decision in *Tinker v Des Moines* In 1965 five public school students in Des Moines including John Tinker a Methodist minister's son protested the Vietnam War by wearing black armbands in defiance of school policy Suspended on disciplinary grounds that were upheld in federal court the students took their case to the Supreme Court arguing that they had been denied their right of freedom of expression under the First Amendment Ruling in their favor the Court determined that armbands did not constitute a sufficient reason to abridge free speech a decision which helped provide a legal foundation for subsequent anti war protests John Johnson now offers a detailed account of *Tinker* that captures the personal struggle of the litigants and places this seminal constitutional controversy in the legal and historical context of the 1960s In this highly readable book he shows that the case is important for its divergent perspectives on the

limits of free speech and explains how the majority and dissenting Court opinions mirrored contemporary attitudes toward the permissible limits of public protest As the most important student rights case ever to reach the Supreme Court *Tinker* raises important issues regarding First Amendment freedoms and is a strong precedent for both the rights of public school students and legitimate civil disobedience *The Struggle for Student Rights* contains previously unpublished information and insights on this well known case and provides a fascinating legal window on a turbulent era With federal and state courts now considering the limits of speech and symbolic expressions in our schools it makes a significant contribution to understanding the principles that are at stake     *Billboard Music Week* ,1929     **The Country Gentleman** ,1925     Life Without Parole Victor Hassine,2004 Looks at conditions of confinement and prison life in America taking the reader on a guided tour of the prison experience This book conveys the changes in prison life that have come about as a result of the war on drugs prison overcrowding and demographic changes in inmate populations     *The Bulletin* California State Prison at San Quentin,1926     Country Gentleman ,1925     *Life* ,1928     **Records & Briefs New York State Appellate Division** ,     *People of the State of Illinois V.
