Giroux,2014-07-21 Giroux refuses to give in or give up The Violence of Organized Forgetting is a clarion call to imagine a different America just fair and caring and then to struggle for it Bill Moyers Henry Giroux has accomplished an exciting brilliant intellectual dissection of America s somnambulant voyage into anti democratic political depravity His analysis of the plight of America s youth is particularly heartbreaking If we have a shred of moral fibre left in our beings Henry Giroux sounds the trumpet to awaken it to action to restore to the nation a civic soul Dennis J Kucinich former US Congressman and Presidential candidate Giroux lays out a blistering critique of an America governed by the tenets of a market economy He cites French philosopher Georges Didi Huberman s concept of the disimagination machine to describe a culture and pedagogical philosophy that short circuits citizens ability to think critically leaving the

generation now reaching adulthood unprepared for an inhospitable world Picking apart the current malaise of 21st century digital disorder Giroux describes a world in which citizenship is replaced by consumerism and the functions of engaged governance are explicitly beholden to corporations Publishers Weekly In a series of essays that explore the intersections of politics popular culture and new forms of social control in American society Henry A Giroux explores how state and corporate interests have coalesced to restrict civil rights privatize what s left of public institutions and diminish our collective capacity to participate as engaged citizens of a democracy From the normalization of mass surveillance lockdown drills and a state of constant war to corporate bailouts paired with public austerity programs that further impoverish struggling families and communities Giroux looks to flashpoints in current events to reveal how the forces of government and business are at work to generate a culture of mass forgetfulness obedience and conformity In *The Violence of Organized Forgetting* Giroux deconstructs the stories created to control us while championing the indomitable power of education democracy and hope Henry A Giroux is a world renowned educator author and public intellectual He currently holds the Global TV Network Chair Professorship at McMaster University in the English and Cultural Studies Department and a Distinguished Visiting Professorship at Ryerson University The Toronto Star has named Henry Giroux one of the twelve Canadians changing the way we think More Praise for Henry A Giroux s *The Violence of Organized Forgetting* I can think of no book in the last ten years as essential as this I can think of no other writer who has so clinically dissected the crisis of modern life and so courageously offered a possibility for real material change John Steppeling playwright and author of *The Shaper Dogmouth* and *Sea of Cortez* A timely study if there ever was one *The Violence of Organized Forgetting* is a milestone in the struggle to repossess the common sense expropriated by the American power elite to be redeployed in its plot to foil the popular resistance against rising social injustice and decay of political democracy Zygmunt Bauman author of *Does the Richness of the Few Benefit Us All* among other works Prophetic and eloquent Giroux gives us in this hard hitting and compelling book the dark scenario of Western crisis where ignorance has become a virtue and wealth and power the means of ruthless abuse of workers of the minorities and of immigrants However he remains optimistic in his affirmation of radical humanity determined as he is to relate himself to a fair and caring world unblemished by anti democratic political depravity Shelley Walia Frontline *The London Gazette* Great Britain,1876 *Managing Online Risk* Deborah Gonzalez,2014-09-25 In recent years building a corporate online presence has become nonnegotiable for businesses as consumers expect to connect with them in as many ways as possible There are benefits to companies that use online technology but there are risks as well *Managing Online Risk* presents the tools and resources needed to better understand the security and reputational risks of online and digital activity and how to mitigate those risks to minimize potential losses *Managing Online Risk* highlights security and risk management best practices that address concerns such as data collection and storage liability recruitment employee communications compliance violations security of devices in contexts like mobile apps and cloud computing and
