Savona,2013-03-09 Two years ago the Guido Carli Association in collaboration with the Aspen Institute Italia charged a group
of distinguished economists to examine the problems created by the unsatisfactory functioning of the International Monetary
System The two resulting conferences were sponsored by the Fondazione della Cassa di Risparmio di Firenze CESIFIN and
the Permanent Advisory Committee on the Euro and the Dollar PACE D Their research had a two fold aim The first was an
examination of the basic function of the International Monetary System with a special focus on the role the Euro would and
should have The second was the preparation of a list of recommendations on how to resolve the problems financial problems
in particular affecting the entire world community Last year the group focused on efforts taking place in diverse financial
institutions and universities to construct what has been called the New International Financial Architecture This group
considered the legal problems arising from European and international integration and more generally from the new
