A Lesson Before Dying Or a Lesson for Living? How One Nine-Page Chapter, in Ernest J. Gaines' A Lesson Before Dying, Connected the Lines Between Life, Death, and Everything in Between Samantha Nicole Rincon, 2019 This thesis focuses on the nine page diary present in Ernest J Gaines A Lesson Before Dying The diary is the only real form of communication from Jefferson a young African American man who was sentenced to death for a crime he did not commit After being stripped of his manhood while on trial it became a group effort to assist this man in regaining his manhood In this thesis the diary became the topic of focus and was examined to see why it had such an important role in the novel Separated into three chapters each looking at specific moments and people that helped the diary come to fruition The first chapter focuses on key moments that helped influence the diary The second chapter focuses specifically on the content of the diary and dissects the entries Lastly the third chapter focuses on the effects of the diary not on the main character but to those involved in his journey Thus the thesis becomes centered on answering why a nine page chapter in the African American Vernacular English uncovered one s manhood and ultimately defines his journey to death less      **A Lesson Before Dying Novel Units**
