Viktoria, 2025-09-26 What happens when the script starts writing your love story before you're ready to live it? LYRIC I've spent twelve years hiding in plain sight. Melody Star died the day I fled Hollywood, and Lyric Thompson was born in the safety of Christmas Falls. But when this devastatingly gorgeous director shows up with his intense blue eyes and dangerous smile, my carefully built walls start crumbling. Especially when the movie script begins revealing our most intimate moments—moments that haven't even happened yet. He makes me feel things I swore I'd never risk again. When he touches me, I forget why I'm supposed to be afraid. ASHER I failed her once. That terrified fifteen-year-old girl whose screams still wake me at night. Now she's a fierce brilliant woman who sets my world on fire, and I'd die before I let anyone hurt her again. But she doesn't remember me, not yet. And this mysterious script that keeps changing—it's showing me a future where she's mine, where her body arches beneath me as I worship every inch of her, healing. I just have to convince her we're worth the risk. When Christmas magic collides with Hollywood secrets, some love stories rewrite themselves. A scorching holiday romance where supernatural forces demand two broken souls face their past and claim their incendiary future. *Christmas With His Brother's Baby (Interracial Romance)* Teona Bell, Three months ago Gracie's husband Carter abandoned her.
